John McCole, 2017-07-25 Excerpt from *Lucifer at Large* A fallen angel is a splendid thing a fallen simian is not The one can topple from high heaven the other only from a tree Let men and women of fiction fall to any depths but let them fall as men and women For as I say to fall very far characters have to be human and even somewhat divine Otherwise it is rather difficult to think of them as having any place to fall from to use the figure which Mr Galsworthy once applied to some of his own creatures they seem to be characters who are only falling off the oor About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works      *Trent Maddox - Demon Eradicator* Justin Thurmond, 2012-01-25      **Lucifer's Banker Uncensored** Bradley C. Birkenfeld, 2020-09-30 A page turning real life thriller *Lucifer's Banker Uncensored* is a fascinating behind the scenes look at the secret Swiss high net worth banking industry and a harrowing account of our government's justice system Updated and Uncensored As a private banker working for the largest bank in the world UBS Bradley Birkenfeld was an expert in Switzerland's shell game of offshore companies and secret numbered accounts He wined and dined ultrawealthy clients whose millions of dollars were hidden away from business partners spouses and tax authorities As his client list grew Birkenfeld lived a life of money fast cars and beautiful women but when he discovered that UBS was planning to betray him he blew the whistle to the US Government The Department of Justice scorned Birkenfeld's unprecedented whistle blowing and attempted to silence him with a conspiracy charge Yet Birkenfeld would not be intimidated He took his secrets to the US Senate the Securities and Exchange Commission and the Internal Revenue Service where he prevailed His bombshell revelations helped the US Treasury recover over 15 billion and counting in back taxes fines and penalties from American tax cheats But Birkenfeld was shocked to discover that at the same time he was cooperating with the US Government the Department of Justice was still doggedly pursuing him He was arrested and served thirty months in federal prison When he emerged the Internal Revenue Service gave him a whistle blower award for 104 million the largest such reward in history A page turning real life thriller *Lucifer's Banker Uncensored* is a fascinating behind the scenes look at the secret Swiss high net worth banking industry and a harrowing account of our government's justice system Readers will follow Birkenfeld and share his outrage with the incompetence and possible corruption at the Department of Justice and they will cheer him on as he hammers one of the most well known and powerful banks in the world      *Come and See* Timothy Radke, 2022-02-24 *Come and See* is the story of Andrew Daltoy an average

college student who does not know that he is about to be thrust into a difficult situation Regardless of what he believes he is about to have a hand in history as one of the four horsemen of the Apocalypse Who can he trust with this earth shattering secret and who would stick by someone after learning such a secret Andrew learns that he is going to be dragged into a competition between the horsemen and the winner gets the grand prize of kicking off the end of the world He will be pulled between the horrible responsibility of his destiny and having to give up what he wants to keep those he loves and the world safe Will Andrew win the contest and end the world or will he lose it all trying to save it all Will his sacrifice be worth what he will be required to give up to keep his loved ones safe and secure Will Andrew even be the same person when the contest is over Can he stop those that will stop at nothing to end it all even if it requires the unthinkable
