Fibonacci Tales eLBe,2016-10-31 Fibonacci Tales are fiction written in the format of the Fibonacci sequence hence the name Fibonacci Tales What Fibonacci did is plug a 0 and a 1 and set the rule to always add the next two numbers Each Fibonacci Tales book has two one page chapters one two page chapter one three page chapter one five page chapter one eight page chapter one thirteen page chapter one twenty one page chapter one thirty four page chapter one fifty five page chapter and one eighty nine page chapter for a total of 232 pages per book Fibonacci Tales are written for all ages and in paired sets of books The first pair of Fibonacci Tales books are Fibonacci Tales Vampire Tales and Fibonacci Tales Knights Tales The second pair of Fibonacci Tales books are Fibonacci Tales Dust Tales and Fibonacci Tales Mother Tales The third pair of Fibonacci Tales books will be called Fibonacci Tales Cat Tales and Fibonacci Tales Goddess Tales These books are works in progress during mid September 2016 The author expects to complete the third pair of Fibonacci Tales books and available around early to mid 2017 Fibonacci Tales books are designed for electronic book reading Each pair of books includes music callouts that are essential to the stories music has the power to calm the savage beast and therefore Fibonacci Tales books do not lend themselves to printed book format Plus the cost of printing two pairs of books and pressing two CDs for each pair of books would not be cost effective and it would be an outright irritant for the dear reader who would have to advance the CD one tune at a time and stop the CD before the next tune began as CD players are designed to do I would utterly hate to read Fibonacci Tales in printed book format For that reason alone scratch the idea of publishing Fibonacci Tales in physical book format I will not agree On the plus side again I have two disinterested readers who will read and comment on Fibonacci Tales books once they are available in e book format *The Watcher* Carmen Kern,2019-08-29 SOMEONE WATCHES FROM THE DARK EVEN THE DEVIL HAS A SHADOW Penemue A Watcher and fallen angel sets his sights on James Rucker and Lucifer Morningstar aka the Devil in penance for sins committed millennia ago Penemue is on an eternal stakeout One without the thermos of coffee or the satisfaction of taking out the bad guy But missions change even after millennia Now Penemue must emerge from the shadows to help Rucker write Lucifer's memoir and secure his role as an ambassador between Heaven and Earth All Penemue has to do is relive the most painful day of his long life keep the apocalypse at bay and outwit the Devil FOR THE WATCHER THE PAST HAS EVERYTHING TO DO WITH THE FUTURE THE WATCHER is the second novella in the series THE LUCIFER CHRONICLES **Warriors of Light** Gloria Johnson,2011-11-02 Justin was a Nephilium His father was an angel and his mother human His race was often referred to as

light warriors Justins race was the stuff of myth and legends and most beings believed that they did not exist They will be born with several unique talents and abilities one of which will be a shield around their souls which will hide their gifts talents and abilities from angels demons and humans These warriors of light will walk among each race unknown and unseen until they need or choose to reveal themselves Every one is operating under a misconception because they believe or assume that the battle of good and evil will be some epic future battle Only the battle rages now as we speak it is being fought won or lost within each human soul Justin was given a new and urgent assignment a crossroads soul These rare beings hold a great amount of power and could be an asset to either side Justin was shocked beyond belief to find that this new crossroads soul was his mate **Black Spring** Christina Henry,2014-10-28 A former Agent of death Madeline Black now has everything to live for most importantly her unborn child But Chicago has become ground zero in a struggle between ancient creatures and only Maddy can stop the carnage The mayor of Chicago has announced a plan to round up the city s supernatural beings and put them in camps With her due date looming Maddy s best move would be to lay low for a while But not everyone is willing to respect her privacy Hounded by tentacled monsters a rogue shapeshifter and a tenacious blogger Maddy turns to her most powerful ally her uncle Daharan only to find him missing Just when it seems like things can t get any worse Maddy gets an invitation in the mail to Lucifer s wedding Turns out everyone has been invited friends and enemies alike And with that kind of guest list it s highly unlikely there will be a happily ever after **The Visions of Quevedo** Francisco de Quevedo,1832

Reforming Hell Marilyn "Mattie" Brahen,2014-01-06 In her waking life Leianna is a 29 year old single mother living in Philadelphia but she is psychic has had astonishing visions and leads a dual astral existence in which she is now reunited with Bael her dark mysterious lover from another life 35 000 years ago More than love is at stake for Bael is nothing less than one of Lucifer s followers a fallen angel Behind the story of their love is the epic of the Fall from Grace which takes a new turn as an alliance between Heaven and Hell seems a real possibility for the first time in untold millennia Now Leianna becoming Queen of Hell will face an impossible task if Hell itself is to be reformed she must first redeem the soul of history s greatest monster Adolph Hitler and make him weep Can she save the damned Should she *Death* Russell Nohelty, All gods are real they re just dicks Katrina was just a normal person with a simple life Then the Apocalypse descended upon her and she spent two years fighting with and living among monsters They were neither pleasant nor polite neighbors so she snapped and set out to Hell to kill the Devil That s when the carnage started Action adventure humor and chaos abound in this mythological fantasy supernatural thriller book box set that s paced for edge of your seat excitement Join Katrina on three hair raising adventures that pit her against God the Devil Zeus Hera and Cronos himself as she traipses across the universe breaking as many things as she fixes fighting her way through Greek Roman and Judeo Christian mythology and causing trouble at every stop along the way If you love action adventure fantasy stories monsters mythology and heroines with their sass and snark turned up to 11 then this book is for you Get it now These are three of the most exciting enjoyable and often

funny stories I have read in a long time Katrina and her motley crew create havoc on earth in heaven and across the universe but her unerring sense of fairness and optimism can't help but leave a reader feeling that the world and everything is in good hands If you like your heroes to have witty and foul mouths and have skills fighting demons and other underworld riff raff then these books are for you wow this set of books are amazing and to get it on in one set yesss If you haven't read any of the Katrina series then you really should Katrina goes and battles her way through the hell and heavens and man does she take you on one great adventure I was a huge fan of the classical Greek and Roman gods when I studied them in high school and university so this book scored bonus points with me before I even left swiped past the cover on my Kindle

Lucifer's Apostles Col Braithwaite, 2024-02-23 On the outskirts of the southern suburbs of Sydney a satanic cult is performing sadistic rituals that had been discovered in an ancient grimoire In the ritual eleven women must be kidnapped and sacrificed on specific days after the summer solstice After each sacrifice the woman's naked body must be laid in sight of a religious place of worship casting a curse on each denomination targeted The leader of the cult known as the High Priestess believes in her deranged mind that the sacrifices will bring Satan and his army into our world The cult has purchased a property outside of Barton Park where a large shed has been erected to hold the cult's congregations A house has been converted to accommodate the abducted women who must be humiliated and degraded before one is sacrificed every two days before the year's first full moon The women are chained to the floor with little to no chance of escape from the well guarded house of hell A task force is set up in the suburb of Southern Palms to catch the killers The team led by Detective Tank Dodge consists of detectives a forensic pathologist an investigator a profiler and a computer analyst Unknown

to the team is that they have moles in their ranks who keep the satanic cult informed of any impending threat As the body count starts to rise Tank and his team need to discover the whereabouts of the cult and the kidnappers who are abducting the young women **Catalog of Copyright Entries.
