**Lucky Girl** Amanda Maciel, 2017-04-25. *Lucky Girl* is an unflinching exploration of beauty, self-worth, and sexual assault from the author of the acclaimed *Tease*. Rosie is a beautiful girl and it's always been enough. Boys crush on her, men stare at her, girls begrudgingly admire her. She's lucky and she knows it. But it's the start of a new school year and she begins to realize that she wants to be more. Namely, she's determined to be better than her best friend Maddie, who's just back from a summer program abroad, having totally blossomed into her own person. Rosie isn't thrilled when Maddie connects with a football player who Rosie was hooking up with, but if it makes her friend happy, she's prepared to get over it. Plus, someone even more interesting has moved to town: Alex, who became semi-famous after he stopped a classmate from carrying out a shooting rampage at his old high school. Rosie is drawn to Alex in a way she's never experienced before, and she is surprised to discover that unlike every other guy, he seems to see more in her than her beauty. Then, at a party one night in the midst of a devastating storm, something happens that tears apart Rosie's life and sets her on a journey of self-discovery that forces her to face uncomfortable truths about reputation, identity, and what it means to be a true friend.

**Out of Focus** A.L. Lester, 2022-03-26. Alex has never quite believed he's good enough. Not as a person and not as a lighting technician. He hates that, however hard he tries, he can't get his boss Luke to like him. In the two years he's been in the job, it's become a thing with him, and he's got a huge crush on the man. He needs to move on for his own sanity and his career, and he's just about to accept a job at a bigger theatre when one of the volunteers he's bedded and dumped pushes him off a ladder. Luke likes Alex a lot and has done since the day he walked through the door of Theatre Fawr two years ago. He doesn't date his staff, though, or do casual, and Alex is the epitome of casual. So Luke keeps his distance despite Alex's constant flirting. Will Alex's injury give Alex and Luke the push they need to open up to each other? Or will Luke's inadvertent discovery that Alex has a secret job offer push them further apart?

**Popular Politics and Resistance Movements in South Africa** William Beinart, Marcelle C. Dawson, 2010-12-01 An examination of post apartheid politics This volume explores some of the key features of popular politics and resistance before and after 1994 It looks at continuities and changes in the forms of struggle and ideologies involved as well as the significance of post apartheid grassroots politics Is this a new form of politics or does it stand as a direct descendent of the insurrectionary impulses of the late apartheid era Posing questions about continuity and change before and after 1994 raises key issues concerning the nature of power and poverty in the country Contributors suggest that expressions of popular politics are deeply set within South African political
