Lethal Legacy J.R. Miller, 2016-12-06 Canadians greeted the disruptions in Native newcomer relations that occasionally erupted during the 1990s with incomprehension Politicians journalists and ordinary citizens understood neither how nor why the crisis of the moment had arisen much less how its deep historical roots made it resistant to solutions J R Miller believes that it takes a historical understanding of public policy affecting Canadian Natives to truly comprehend the issues and their ramifications An expert on indigenous newcomer relations Miller uses his extensive research from conventional and Native sources to explore and explain the controversial issues facing Canadian Natives today In five sections this book covers topics such as Native identity self government treaties attitudes to land and ownership and assimilation Miller acknowledges the fact that there are no easy solutions but argues that greater understanding is the foundation for building successful relations between Natives and non Natives in Canada

Traditions Of The Arikara; Collected Under The Auspices Of The Carnegie Institution Of Washington George A. Dorsey, 2023-11-03 Reproduction of the original The publishing house Megali specialises in reproducing historical works in large print to make reading easier for people with impaired vision

Between the Floods Mark van de Logt, 2023-03-16 The creation story of the Sahni or Arikara people begins with a terrible flood sent by the Great Chief Above to renew the world Many generations later another devastating flood nearly destroyed the Arikaras when the newly built Garrison Dam swamped the fertile land of the Fort Berthold Reservation in North Dakota Between the Floods tells the story of this powerful Great Plains nation from its mythic origins to the modern era tracing the path of the Arikaras through the oral traditions and oral histories that preserve and illuminate their past The Arikaras like their Hidatsa and Mandan neighbors on the northern plains lived as both farmers and hunter gatherers growing corn and hunting buffalo Pressure on their villages from other nations including the Lakotas forced displacements and relocations and once Euro Americans entered their domain French fur traders the Spanish and especially

Americans after Lewis and Clark the Arikaras strategic location on the Missouri River became both an asset and a liability Between the Floods follows this resilient semi sedentary people in their migration and settlement as they confront the challenges of white incursions tribal conflicts foreign diseases the slave trade and the introduction of horses and metal tools In the Arikaras oral traditions and histories Mark van de Logt finds a key to their distant past as well as the cultural underpinnings of their resilience and persistence as faith in their great prophet Mother Corn guides them and inspires hope for the future Enhanced with the insights of archaeology linguistics and anthropology and illustrated with Native maps and ledger art as well as historic photographs and drawings Between the Floods brings unprecedented depth detail and authenticity to its picture of the Arikaras in the fullness and living presence of their history **Simple Poems** Elizabeth Baroody aka Christy Demaine,2014-05 This book is a collection of poetry with a variety of ideas and inspiration Simple Poems serves as a living memory of Alfred Baroody s wife Elizabeth the author who published several articles short stories and books This book though encapsulates her thoughts about daily life and love turned into a literary piece of art *This Is Your Captain Speaking* Jon Methven,2012-06-05 When a public relations group covertly stages a no casualty heroic plane crash to improve an airline s stock its captain a news anchor and a man who faked his death are all involved **The Proverbs of Scotland** Alexander Hislop (Publisher.),1862 **Littell's Living Age** ,1866 *Paradoxes* James Cargile,1979-06-21 The ancient semantic paradoxes were thought to undermine the rationalist metaphysics of Plato and their modern relatives have been used by Russell and others to administer some severe logical and epistemological shocks These are not just tricks or puzzles but are intimately connected with some of the liveliest and most basic philosophical disputes about logical form universals reference and predication Dr Cargile offers here an original and sustained treatment of this range of issues and in fact presents an unfashionable defence of a platonistic ontology He argues that the paradoxes arise not from mistakes in classical assumptions about truth or from an ontology that includes propositions and properties but from mistakes in describing what propositions and properties are conveyed by particular linguistic expressions The book should interest and may well surprise philosophers and others concerned with semantics and the foundations of logic **Indian Fables, Collected and Ed. by P.V. Ramaswami Raju** P. V. Rāmasvāmi Rāju,1889 **Panoplist, and Missionary Magazine** ,1806 Audun and the Polar Bear William Ian Miller,2008 Auduna TM s Story tells of an Icelandic farmhand who buys a polar bear in Greenland and gives it to the Danish king It is a subtle tale of complex social action worthy of the fine anthropological writing on gift exchange its treatment of face to face interaction a match for Erving Goffman *Congressional Record* United States. Trevena,2022-09-16 In John Trevena's *Furze the Cruel* readers are immersed in a compelling tale of love, heartbreak, and redemption set in the rugged Cornwall landscape.
