Lucrezia Agujari La Bastardella:

Treatise on Vocal Performance and Ornamentation by Johann Adam Hiller Johann Adam Hiller, 2001-04-12
Hiller's Treatise on Vocal Performance and Ornamentation was published in Germany in 1780 and is an important manual on vocal technique and performance in the eighteenth century. Hiller was a masterful educator and was active not only as a teacher but as a critic, composer, conductor, and music director. Thus his observations served not only to raise the standards of singing in Germany based on the Italian model but to present complicated material, particularly ornamentation, in a manner that his peers, the middle class, could emulate. This present edition, translated with an introduction and extensive commentary by musicologist Suzanne J. Beicken, makes Hiller's treatise available for the first time in English. With its emphasis on practical aspects of ornamentation, declamation, and style, it will be valuable to instrumentalists as well as singers and is a significant contribution to the understanding of performance practice in the eighteenth century.

Diplomacy and the Aristocracy as Patrons of Music and Theatre in the Europe of the Ancien Régime Iskrena Yordanova, Francesco Cotticelli, 2019-11-15
This volume explores the dense networks created by diplomatic relationships between European courts and aristocratic households in the early modern age, with the emphasis on celebratory events and the circulation of theatrical plots and practitioners promoted by political and diplomatic connections. The offices of plenipotentiary ministers were often outposts providing useful information about cultural life in foreign countries. Sometimes the artistic strategies defined through the exchanges of couriers were destined to leave a legacy in the history of arts, especially of music and theatre. Ministers favored or promoted careers, described or made pieces of repertoire available to new audiences, and even supported practitioners in their difficult travels by planning profitable tours. They stood behind extraordinary artists and protected many stage performers with their authority while carefully observing and transmitting precious information about the cultural and musical life of the countries where they resided.
