wife and daughter's participation in the cosmopolitan scenes of Paris and London and his son John Quincy's travels in Europe and America. These pages also welcome Thomas Jefferson who soon became one of Abigail's closest friends into the family correspondence. From the intimacies of the children's education, sentimental and worldly to the details of the arm friendship between Abigail and Madame Lafayette to the grand drama of Edmund Burke and William Pitt the Younger debating in Parliament, the contents of these letters draw an incredibly rich picture of international life in the 1780s and an incomparable portrait of America's first family of politics and letters.
