Luftgangsters Raymond Hamel, 2002 **From Interrogation to Liberation: a Photographic Journey Stalag Luft III** Marilyn Jeffers Walton, Michael C. Eberhardt, 2014-03-05 During World War II 300 000 United States Army Air Corps airmen were shot down Of that number 51 000 were prisoners of war or listed as missing in action Bombardiers positioned in the vulnerable bombardiers compartment at the front of the aircraft were in high demand The authors fathers were two such bombardiers one on a B 17 and the other on a B 24 Like so many of the post war generation the authors traveled on their own emotional journeys to reconstruct their fathers WWII experiences Their fathers fought in the flak ridden blue battlefield and like thousands of other airmen shot out of the sky became prisoners of war They would endure deprivation loneliness and great peril Held at Stalag Luft III where the Great Escape of movie fame took place they along with the British were eventually force marched 52 miles in the dead of winter to Spremberg Germany and loaded onto overcrowded filthy boxcars the Americans to be taken to Stalag VIIA in Moosburg Germany or to Stalag XIII D in N rnberg Languishing until their liberation in barbaric conditions with nearly 120 000 international POWs they witnessed the death throes of the Third Reich With many sons and daughters trying to explore the wartime histories of their loved ones the authors supply crucial information and insight regarding the World War II POW experience in Europe Often times by necessity that experience reflects the co existence and tenuous relationship with the Germans holding them In this book there are stories that up until now have not been heard and there are hundreds of pictures many previously unseen illustrating the prisoners plight This book is a documentation of riveting history and a chance to vicariously live the war told through their voices echoes now fading with time Their sacrifices to ensure precious freedom should never be forgotten **What I Never Told You** Candy Kyler Brown, 2010-08-23 In *What I Never Told You A Daughter Traces the Wartime Imprisonment of Her Father* published by AuthorHouse Candy Kyler Brown collects and tells her father s personal account of being a prisoner of war during World War II Though Brown s father John Kyler an Army Air Force B 17 ball turret gunner who served during World War II died without ever setting his experiences in book form Brown was able to piece together the events of his heroic terrifying ordeal through the personal journals her father kept during his captivity I was in awe remembers Brown upon finding the handwritten notebooks It took me back in time and I could imagine so clearly my father as a young boy and picture him his freedom lost sketching these pages from his home behind barbed wire I thought of all the boys who were held captive by the German guards and how they must have feared that every day could be their last Brown s father was shot down February 4 1944 while on a mission to Frankfurt Germany As their damaged ship lost altitude over Belgium he and the other crew members were forced to bail from their crippled bomber On the ground he was quickly taken prisoner John Kyler would remain a prisoner for 15 months While Brown was aware of her father s heroic survival accounts of the ordeal were not easily spoken of by her father It never felt comfortable to ask about that time in his life that he had put behind him Brown says I believe

that men like my father men who had witnessed so many life changing events felt both lucky and guilty to survive when many of their comrades did not I remember months before his death I told him he should write a book and I would be his secretary and help him record his memories He responded What s there to write about and that was it Brown s father would pass away suddenly soon thereafter With What I Never Told You Brown has shared not only her father s story but also the countless other stories untold by soldiers who are unwilling or unable to speak of their traumatic experiences An engrossing read What I Never Told You tells the war stories that go missing from history books These are personal odes each page alive with curiosity fear panic frustration and an unbreakable optimism It s a read not to be missed **The Great Escape from**

Stalag Luft III Tim Carroll,2010-06-15 The true story of one of the most heroic feats of World War II the daring prison camp breakout that inspired the classic film The Great Escape Stalag Luft III was one of the Germans escape proof prison camps specially built by Hermann G ring to hold Allied troops But on March 24 1944 in a courageous attempt by two hundred prisoners to break out through a series of tunnels seventy six Allied officers managed to evade capture and create havoc behind enemy lines in the months before the Normandy Invasion This is the incredible story of these brave men who broke free from the supposedly impenetrable barbed wire and watchtowers of Stalag Luft III and who played an important role in Allied intelligence operations within occupied Europe The prisoners developed an intricate espionage network relaying details of military deployment bombings and raids Some of them were involved in other daring escape attempts including the famous Wooden Horse episode also turned into a classic film and the little known Sachsenhausen breakout engineered by five Great Escapers sent to die in the notorious concentration camp on Hitler s personal orders Tragically fifty of those involved in the Great Escape were murdered by the Gestapo Others were recaptured only a few made it all the way to freedom This dramatic account of personal heroism is a testament to their ingenuity and achievement a stirring tribute to the men who never gave up fighting Includes eight pages of photographs and illustrations excerpts from G ring s testimony during postwar investigations and a list of the men who escaped *The Polish-German Borderlands* Barbara
