Nurse From Killarney:

Nurse from Killarney Ursula Bloom,1963 **Nurse from Killarney** Mary Essex,1963 **Burdett's Hospitals and Charities** ,1906 **My Beautiful Obsession - Chasing the Kerry Dream** Weeshie Fogarty,2012-10-01 A fascinating account of the life and career of Weeshie Fogarty describing the passion and all consuming obsession with football in Kerry and capturing the importance of the sport in the life of a youngster in Killarney in the 1950s After his dream of playing with Kerry in Croke Park comes true Weeshie becomes an intercounty referee and experiences the trauma of assault Some secrets of Kerry football are revealed and some controversial moments Today he is an award winning sports broadcaster with Radio Kerry Into this memoir he weaves an account of life as a psychiatric nurse in a Victorian style mental hospital **Queen's Nurses' Magazine** ,1928 Burdett's Hospitals and Charities Sir Henry C. Burdett,1903 The Trained Nurse and Hospital Review ,1917 A monthly magazine of practical nursing devoted to the improvement and development of the graduate nurse **Annual Report of the Local Government Board for Ireland for the Year ...** Ireland. Local Government Board,1873 **Ring of Death** Anthony Galvin,2013-07-04 To all appearances Kerry is an idyllic tourist destination Yet scratch beneath its scenic surface and the sordid secrets of the county known as the Kingdom flow free like blood Some of the most notorious murders in the history of Ireland have taken place in Kerry including a two day orgy of slaughter perpetrated by state forces during the Civil War Another is the case of two farmers fighting over a patch of land not big enough to accommodate a picnic blanket resulting in a killing that inspired the play and film *The Field* The county s most infamous case was the discovery of a baby stabbed to death on a beach with another infant s body found during the subsequent investigation To this day the identities of the children their mothers and the murderer remain a mystery but the case led to the government setting up a tribunal to investigate the Garda and how they had handled the inquiry In *Ring of Death* true crime writer Anthony Galvin explores the bloody history of Kerry and the many fascinating murder cases that have occurred in the county over the past century **Nurse from Killarney** Mary ESSEX (pseud.),1964 *Annual Report* Ireland. Local Government Board,1915 **The British Journal of Nursing with which is Incorporated the Nursing Record ...** ,1896 **Díospóireachtaí Párlaiminte** Ireland. Oireachtas. Dáil,1985 **Thacker's medical directory of India, Burma, and Ceylon ... v. 3** ,1915 *Saints, Scholars, and Schizophrenics* Nancy Scheper-Hughes,1979 Nancy Scheper Hughes classic ethnographic study of schizophrenia in western Ireland *Irish Medical and Hospital Directory* ,1975 At the Altar of the Bottom Line Tom Juravich,2009 Based on extensive interviews with workers in four different industries this book takes us behind the statistics of the economic collapse and into the lives of Americans who are struggling to make ends meet and support their families Tom Juravich combines oral history with social and economic analysis to provide a vivid account of the multiple challenges presented in today s workplaces At a Verizon call center in Andover Massachusetts customer service reps find themselves overwhelmed by the pace of work and the constant monitoring They

describe a daily routine marked by regimentation intense pressure to sell and unrelenting stress In New Bedford undocumented Guatemalans in the fish processing industry are fired if they don t work fast enough cheated out of wages and mistreated by supervisors Juravich describes a brutal immigration raid by U S Immigration and Customs Enforcement that divided families and forced workers further underground Juravich then takes us inside the operating rooms at the Boston Medical Center where hospital consolidation has brought a new bottom line philosophy that has fundamentally altered the way patient care is delivered Surgery takes place almost non stop driving some nurses from their chosen profession and leaving those who remain exhausted The final case study looks at the shuttering of the Jones Beloit plant an internationally known manufacturer of machinery for the paper industry Despite the best efforts of highly skilled and productive workers to save their plant it was abruptly closed and they were abandoned after their CEO recklessly became involved in a shaky foreign investment Juravich argues that workers face a series of paradoxes in the contemporary American workplace They can no longer assume that large established firms create good jobs The new working conditions often resemble what was traditionally associated with marginal and low wage employers He concludes that we must bring a discussion about the quality of jobs back into the public discourse and that a good jobs strategy is a fundamental building block to economic recovery Workers voices are front and center in this highly readable book It includes striking photographs by Paul Shoul and a CD that presents a series of audio documentaries with excerpts from the interviews as well as four original songs written and performed by Juravich
