

Nursery Rhymes For Bells And Xylophon

Didier Musso

Nursery Rhymes For Bells And Xylophon:

Nursery Rhymes with Bells and Xylophone Nancy Poffenberger, 1986-02 Nursery Rhymes with Bells and Xylophone Nancy Poffenberger, 1986-02-01 NULL *Xylophone, Glockenspiel, Bells for Beginner Adults. 45 Traditional African Songs* Helen Winter, The xylophone is the most important traditional folk instrument on the continent alongside the drum Usually African scales differ from Western ones The African xylophones mostly have 5 6 or 7 note pentatonic hexatonic heptatonic scales while Western instruments typically have a diatonic scale Rhythm is the most distinguishing characteristic of African music and it always prevails over the melody The songs in this book have been adapted and can be played on all models of popular wooden xylophone metal glockenspiel metallophone or resonator blocks Even a simple kids xylophone will be adequate to play most of these songs Some songs here have been simplified for beginners The same song played on a wooden xylophone and on a metallophone will result in very different sounds Due to their clear rhythmic patterns African songs are an ideal material for any kind of musician You will find both diatonic and chromatic scores Some melodies have been specially transposed to a diatonic range to allow you to play them on the most popular models of xylophone which normally do not have flat notes This book is aimed at those new to music and musical instruments and we put letter notation above the notes to make it possible for you to confidently begin playing Since African music assumes improvisation and variation we recommend using this sheet music only as a guide The most important thing is to listen and repeat the recordings linked to the QR code so you can listen to the rhythm before beginning to play Contents Amawole Song from Congo Askari Eee Song from Tanzania Atadwe Song from Ghana Banaha Song from Congo Banuwa Song from Liberia Bebe Moke Song from Congo Before Dinner Song from Congo Bilanga Na Ngai Song from Congo o Che Che Koolay Song from Ghana Coco Laye Laye Song from Congo Do Do Ki Do Song from Cameroon Eh Soom Boo Kawayo Song from Nigeria Erile Baboye Song from South Africa Famba Naye Song from Zimbabwe Funga Alafia Song from Ghana Iro Ye Song from Benin Kanzenzenze Song from Congo Kokoleoko Song from Liberia Kotiko Song from Congo Kuya Mbio Song from Tanzania L abe igi Orombo Song from Nigeria Makun Song from Mali Manamolela Song from South Africa Mayo Nafwa Song from Zambia Mbele Mama Song from South Africa Ning Wendete Song from Kenya Noyana Song from South Africa Obwisana Song from Ghana Ol l Moliba Makasi Song from Congo Plouf Tizen Tizen Song from Algeria Sansa Kroma Song from Ghana S linguenia Song from Kenya Shosholozza Song from South Africa Si Ma Ma Ka Song from Ghana Si Si Kumbale Song from South Africa Sindi Song from Burkina Faso Siyahamba Song from South Africa Siyanibingelela Song from South Africa Stick Passing Song from Uganda Tue Tue Song from Ghana Umele Song from South Africa Wa Wa Wa Song from Congo Welcome Song from Uganda Zimbole Song from South Africa Zomina Song from Togo **63 Simple Songs for Bells, Xylophone, Glockenspiel, and Resonator Blocks. Without Musical Notes** Helen Winter, We call this series I don t read music since we are targeting beginners of all ages children teens parents grandparents Folk music traditionally is not learned from sheet

music or notes Instead it is learned by repetition and from being passed from generation to generation We believe in this method of teaching which is easier and more enjoyable This book includes 63 familiar and easy to play folk songs and melodies Each song here is written with color circles and letter notes inside Most songs have been simplified and transposed for one octave Since this book is aimed at the absolute beginner without any knowledge of reading music we do not use here the classical music staff and do not show the note duration You can experiment with the duration on your own If you have very little music experience playing by note can be difficult It is easier to follow color coded circles with note letters By simply following the color circles you will sound like an experienced musician This songbook uses the Chroma Notes Colored Music System popular in the US We call this series I don't read music since we are targeting beginners of all ages children teens parents grandparents Folk music traditionally is not learned from sheet music or notes Instead it is learned by repetition and from being passed from generation to generation We believe in this method of teaching which is easier and more enjoyable The simple method of using circles as an aid allows the flexibility that existed in traditional ways of teaching We recommend finding each of these songs on YouTube and listening to the rhythm before beginning to play Our sheet music is only a guide The most important thing is to listen and repeat the recordings
