

'Being a NURSE means...

You will never be bored.

You will always be frustrated.

You will be surrounded by challenges.

So much to do and so little time.

*You will carry immense responsibility
and very little authority.*

*You will step into people's lives
and you will make a difference.*

Some will bless you.

Some will curse you.

*You will see people at their worst—
and at their best.*

*You will never cease to be amazed
at people's capacity for
love, courage, and endurance.*

You will see life begin—and end.

*You will experience resounding triumphs
and devastating failures.*

You will cry a lot.

You will laugh a lot.

*You will know what it is to be human
and to be humane.*
