Extraordinary Experiences During the COVID-19 Pandemic Kirsten B. Smith, Paula M. Gabriel, Margaret
Mullen-Fortino, James R. Ballinghoff, Pamela Z. Cacchione, 2024-10-30 Nurses shared their joys sorrows and grief with
compassion during the most devastating pandemic of our generation Here in their own words nurses share what it was like
to take care of these very sick and often dying patients with COVID 19 Nurses were often the only clinicians going into the
patients rooms going above and beyond their role to help contain the virus and efficiently manage supplies No one really
understood what it was like to be a nurse during a poorly understood pandemic Nurses worried about contracting the virus
and bringing the virus home We hope that this book conveys the nurses crucial role We hope this book can help quell some of
the misunderstandings of how deadly COVID 19 was and how grateful nurses were when the vaccine started rolling out to
the community These nurses were strong on their own but even stronger together
