When I agree to be a single dad's fake wife for three months to fund my European dream trip, I never expect our pretend family to feel more real than any life I've ever imagined. The story will tug at your heartstrings; there is passion, romance, friendship, facing

your fears communication ups and downs twists and turns and family Wonderful story with great characters Goodreads reviewerLIZZY I need money fast and he needs a fake wife immediately When I agree to marry Adam Rhodes for three months it seems like the perfect solution He gets the stability courts require to keep custody of five year old Olivia and I get enough cash to fund my dream trip through Europe Simple Clean Temporary Except Adam isn't the shallow player I expected He's a devoted single dad who makes pancakes shaped like dinosaurs and reads bedtime stories with different voices for every character And the way he looks at me like I'm something precious instead of just convenient makes my carefully built walls start to crumble The scarlet haired little girl who calls him Dadam melts my heart completely Olivia draws pictures of our family and whispers secrets that make me want to protect her fierce little spirit forever But I can't stay I've spent my entire life watching my mother sacrifice her dreams for men who eventually left anyway I won't make the same mistake no matter how perfect Adam's arms feel wrapped around me or how right this borrowed life seems The problem is fake marriage is starting to feel devastatingly real And when Olivia's vindictive aunt returns with lawyers and ultimatums I realize I'm not just fighting for my dreams anymore I'm fighting for theirs
