The College Student Startup Guide Dave Gee, 2019-10-16 What Are Startup Founders Saying About The College Student Startup Guide I launched my startup while in college and juggled school personal relationships and my startup It was no easy task I wish The College Student Startup Guide would have been there to guide me through the chaos Henry Schwartz Founder of Mobcraft Beer and Shark Tank Contestant Being in college while you have a startup is no easy task Having done through it I always had Gee to help keep me on track to succeed The lessons in his new book *The College Student Startup Guide* are

invaluable not only for your startup but also for your personal growth. Jake Smith, Manager of Operations at Bird Gees book takes the guesswork out of how to build a great startup while in college. He has gathered what no college student could get in the classroom. He provides insights from interviews he conducted with world class angel investors, venture capitalists, IP attorneys and of course college student founders. Jeff Peterson, Founder Geneva Supply. When I started building my first startup I quickly learned that you need to understand finance, marketing, law, software development and more. No college major provides you all of that information. The College Student Startup Guide does. Kristen Holtan, Co Founder Blue Line Battery. The College Student Startup Guide not only provides actionable insights but it also gives readers a step by step process for college entrepreneurs to follow to ensure the greatest probability of startup success. Austin Beveridge, Marketing Manager Bolt. Make no mistake. This is not a textbook. The College Student Startup Guide is a real world, hard hitting step by step guide, practical, helpful, insightful, no nonsense and sometimes funny. If you are launching a startup in college, this is a must have tool for you. Anna Tracy, Founder Greet Feet. Coming up with a startup idea is easy. Successfully executing that idea into a thriving startup is a completely different story. Gees new book The College Student Startup Guide helps provide college student entrepreneurs the critical insights needed to go from idea to launch. Chris Roche, Founder Recruit Chute. You could get several college degrees to get all of these insights or you could just buy Gees book. The choice is yours. Jocelyn Kopac, Founder The Digital Market. Launching a startup while you are in college can change your life. The College Student Startup Guide shows you how. Ben Morales, Founder Latino Pro. College students today have more opportunities and more demands on their time than any point in history. The stress of going to classes, studying for exams, having personal relationships and sometimes holding down a job can be overwhelming. Now imagine trying to launch a successful startup while juggling all of these responsibilities. It may seem impossible but it is not if you have a well executed plan. Building a solid plan means implementing the proven critical steps that have helped college students land multi million dollar contracts, pitch their businesses on Shark Tank, raise millions in startup capital and continue to grow their exciting organizations. I reflected back on the hundreds of student entrepreneurs I have helped and realized that I needed to share the best practices with these students with student entrepreneurs everywhere. But I wanted to go further so I added interviews I conducted with world class angel investors, venture capitalists, researchers, intellectual property attorneys and of course successful entrepreneurs. The end result I have created for you is The College Student Startup Guide. This book is insightful, practical, powerful, sometimes funny and can help you get ready to fulfill your entrepreneurial dreams. **Entrepreneurship in the Wild** Felipe G. Massa, 2021-08-03.
