Between my father getting remarried and launching my first business venture, this summer is going to be busy. Of course, that's when a familiar boy with bright green eyes walks back into my life. Chase. It's been four years since I left for college and left everything behind. I didn't mean to disturb the peace then, and I definitely don't want to do that now. Once I lay my eyes on her again, there's no way I can leave without fixing the wrongs of the past. She's more determined than ever to push me away, but I can tell I'm getting under her skin. No matter what, though, there's one thing that will always be standing in our way: I'm about to become her stepbrother.
