Russia Reads Rousseau 1762 1825

Andreas Schönle, Andrei Zorin

Russia Reads Rousseau 1762 1825:

Russia Reads Rousseau, 1762-1825 Thomas Paul Barran, 2002 Whether seen as a literary genius educator dedicated patriot misanthrope scoundrel proto Jacobin or out right lunatic Jean Jacques Rousseau left a bewildering pattern on the Russian intellectual landscape Fully tracing this pattern for the first time this book reveals the nature and extent of Rousseau s initial influence in Russia as well as a great deal about the social cultural and political contexts in which he was so variously understood by the Russians Thomas Barran shows here how Rousseau quickly became a model of the visionary to the Russians Russia Reads Rousseau makes explicit the selectivity ambivalence and energy with which Russians accepted Rousseau s works Barran s book provides a refreshing corrective to the numerous misinterpretations by both Russian authors who introduced Rousseau to Russia and scholars who have analyzed the Russian reception of Rousseau Mapping Rousseau s varied and extensive influence Barran considers major writers such as Denis Fonvizin Nikolai Novikov Nikolai Karamzin and Aleksandr Pushkin as well as lesser known or forgotten figures He shows how Rousseau s works were Russianized in numerous ways as translations adaptat

A Voltaire for Russia Amanda Ewington, 2010-07-31 Revision of the author s thesis Ph D University of Chicago Dept of Slavic Languages and Literatures 2001 *How the Russians Read the French* Priscilla Meyer, 2010-05-27 In *How the Russians Read the French* Priscilla Meyer shows how Mikhail Lermontov Fyodor Dostoevsky and Lev Tolstoy engaged with French literature and culture to define their own positions as Russian writers with specifically Russian aesthetic and moral values

The Europeanized Elite in Russia, 1762-1825 Andreas Schönle, Andrei Zorin, Alexei Evstratov, 2016-11-04 This illuminating volume provides a new understanding of the subjective identity and public roles of Russia s Europeanized elite between the years of 1762 and 1825 Through a series of rich case studies the editors reconstruct the social group s worldview complex identities conflicting loyalties and evolving habits The studies explore the institutions that shaped these nobles their attitude to state service the changing patterns of their family life their emotional world religious beliefs and sense of time The creation of a Europeanized elite in Russia was a state initiated project that aimed to overcome the presumed backwardness of the country The evolution of this social group in its relations to political authority provides insight into the fraught identity of a country developing on the geopolitical periphery of Europe In contrast to postcolonial studies that explore the imposition of political social and cultural structures on colonized societies this multidisciplinary volume explores the patterns of behavior and emotion that emerge from the processes of self Europeanization The *Europeanized Elite in Russia 1762 1825* will appeal to scholars and general readers interested in Russian history and culture particularly in light of current political debates about globalization and widening social inequality in Europe

War and Enlightenment in Russia Eugene Miakinkov, 2020-06-16 *War and Enlightenment in Russia* explores how members of the military during the reign of Catherine II reconciled Enlightenment ideas about the equality and moral worth of all humans with the Russian reality based on serfdom a world governed by autocracy absolute

respect for authority and subordination to seniority While there is a sizable literature about the impact of the Enlightenment on government economy manners and literature in Russia no analytical framework that outlines its impact on the military exists Eugene Miakinkov s research addresses this gap and challenges the assumption that the military was an unadaptable and vertical institution Using archival sources military manuals essays memoirs and letters the author demonstrates how the Russian militaires philosophes operationalized the Enlightenment by turning thought into reality **Russia in the Early Modern World** Donald Ostrowski,2022-01-25 A fundamental problem in studying early modern Russian history is determining Russia s historical development in relationship to the rest of the world The focus throughout this book is on the continuity of Russian policies during the early modern period 1450 1800 and that those policies coincided with those of other successful contemporary Eurasian polities The continuities occurred in the midst of constant change but neither one nor the other continuities or changes alone can account for Russia s success Instead Russian rulers from Ivan III to Catherine II with their hub advisors managed to sustain a balance between the two During the early modern period these Russian rulers invited into the country foreign experts to facilitate the transfer of technology and know how mostly from Europe but also from Asia In this respect they were willing to look abroad for solutions to domestic problems Russia looked westward for military weaponry and techniques at the same time it was expanding eastward into the Eurasian heartland The ruling elite and by extension the entire ruling class worked in cooperation with the ruler to implement policies The Church played an active role in supporting the government and in seeking to eliminate opposition to the government *Liberal Ideas in Tsarist Russia* Vanessa Rampton,2020-02-20 Liberalism is a crucially important topic today this book adds the important yet neglected Russian aspect to its history **French and Russian in Imperial Russia** Derek Offord,2015-06-29 This is the first of two companion volumes which examine language use and language attitudes in eighteenth and nineteenth century Russia focusing on the transitional period from the Enlightenment to the age of Pushkin **Before They Were Titans** Elizabeth Cheres Allen,2019-08-28 Dostoevsky and Tolstoy are the titans of Russian literature As mature artists they led very different lives and wrote vastly different works but their early lives and writings display provocative kinships while also indicating the divergent paths the two authors would take en route to literary greatness The ten new critical essays here written by leading specialists in nineteenth century Russian literature give fresh sophisticated readings to works from the first decade of the literary life of each Russian author for Dostoevsky the 1840s for Tolstoy the 1850s Collectively these essays yield composite portraits of these two artists as young men finding their literary way At the same time they show how the early works merit appreciation for themselves before their authors were Titans Kutuzov Alexander Mikaberidze,2022 A Russian war hero who defeated Napoleon and became a mythic military figure Alexander Mikaberidze s latest book is the first modern English language biography of Mikhail Golenischev Kutuzov the famed Russian Field Marshal and central character of Leo Tolstoy s epic War and Peace One of the most important military minds of the period he is credited with

defeating Napoleon and saving Russia though his fame is not limited to the Napoleonic wars As it often happens with national heroes Kutuzov gradually became larger than life a messianic character who led Holy Russia against the evils of the Revolution and anarchy the Soviet leaders later exploited his personality for even more grandiose schemes The real Kutuzov was gradually replaced by a mythical character who appeared at a time of great danger to save Russia The impact of this propaganda can be still seen in modern Russia In 2000 the public opinion poll showed that majority of the Russians consider Kutuzov as the Person of the 19th Century far ahead of famous writers Alexander Pushkin and Leo Tolstoy composer Peter Tchaikovsky or scientist Dmitry Mendeleev while the 2017 public opinion poll placed Kutuzov in the top twenty of the most distinguished historical personalities in world history slightly behind Napoleon As much as Kutuzov is venerated in Russia he remains an overlooked figure in the West with Western historiography comprising of just a handful of titles in English French or German the vast majority of them translations of older Soviet works or derived from them This book provides a new biography of the field marshal examining his personal life and military diplomatic accomplishments and relying on a wide range of primary and secondary sources as well as Russian archival material Mikaberidze offers a fresh look at the historical figure whose character remains elusive but whose accomplishments are irrefutable

Crime and Punishment Fyodor Dostoevsky, 2017-09-07 One death in exchange for thousands of lives it's simple arithmetic A new translation of Dostoevsky's epic masterpiece *Crime and Punishment* 1866 The impoverished student Raskolnikov decides to free himself from debt by killing an old moneylender an act he sees as elevating himself above conventional morality Like Napoleon he will assert his will and his crime will be justified by its elimination of vermin for the sake of the greater good But Raskolnikov is torn apart by fear guilt and a growing conscience under the influence of his love for Sonya Meanwhile the police detective Porfiry is on his trail It is a powerfully psychological novel in which the St Petersburg setting Dostoevsky's own circumstances and contemporary social problems all play their part

Turning into Sterne Emily Finer, 2017-12-02 Viktor Shklovskii 1893 1984 is best known as an inventor of Russian Formalism the literary theorist responsible for *ostranenie* defamiliarisation Just after the 1917 Revolution Shklovskii claimed *Tristram Shandy* to be the most typical novel in world literature he then proceeded to theorise Sterne's formal experiments with plot to chronicle his own wartime exploits in an autobiographical *Sentimental Journey* and to promote *Tristram Shandy* as a prototype for the new Soviet novel His reading of *Tristram Shandy* and his lifelong relationship with its author Laurence Sterne 1713 1769 were of enormous importance to Shklovskii whose theory of prose remains current in Western academia As Finer shows they can tell us much not only about Shklovskii but also the extended tangled ways of literary reception and translation

The Books that Made the European Enlightenment Gary Kates, 2022-08-11 In contrast to traditional Enlightenment studies that focus solely on authors and ideas Gary Kates employs a literary lens to offer a wholly original history of the period in Europe from 1699 to 1780 Each chapter is a biography of a book which tells the story of the text from its inception through to the revolutionary era with wider aspects of the

Enlightenment era being revealed through the narrative of the book's publication and reception. Here Kates joins new approaches to book history with more traditional intellectual history by treating authors, publishers, and readers in a balanced fashion throughout. Using a unique database of 18th-century editions representing 5,000 titles, the book looks at the multifaceted significance of bestsellers from the time. It analyses key works by Voltaire, Adam Smith, Madame de Graffigny, Jean-Jacques Rousseau, and David Hume and champions the importance of a crucial innovation of the age: the rise of the erudite blockbuster, which for the first time in European history helped to popularize political theory among a large portion of the middling classes. Kates also highlights how, when, and why some of these books were read in the European colonies as well as incorporating the responses of both ordinary men and women as part of the reception histories that are so integral to the volume.

Tragic Encounters Maksim Hanukai, 2023-05-16 Literary scholars largely agree that the Romantic period altered the definition of tragedy, but they have confined their analyses to Western European authors. Maksim Hanukai introduces a new illuminating figure to this narrative, arguing that Russia's national poet, Alexander Pushkin, can be understood as a tragic Romantic poet, although in a different mold than his Western counterparts. Many of Pushkin's works move seamlessly between the closed world of traditional tragedy and the open world of Romantic tragic drama, and yet they follow neither the cathartic program prescribed by Aristotle nor the redemptive mythologies of the Romantics. Instead, the idiosyncratic and artistically mercurial Pushkin seized upon the newly unstable tragic mode to develop multiple overlapping tragic visions. Providing new innovative readings of such masterpieces as *The Gypsies*, *Boris Godunov*, *The Little Tragedies*, and *The Bronze Horseman*, Hanukai sheds light on an unexplored aspect of Pushkin's work while also challenging reigning theories about the fate of tragedy in the Romantic period.

Suicide and the Body Politic in Imperial Russia Susan K. Morrissey, 2007-01-04 In early twentieth-century Russia, suicide became a public act and a social phenomenon of exceptional scale, a disquieting emblem of Russia's encounter with modernity. This book draws on an extensive range of sources, from judicial records to the popular press, to examine the forms, meanings, and regulation of suicide from the seventeenth century to 1914, placing developments into a pan-European context. It argues against narratives of secularization that read the history of suicide as a trajectory from sin to insanity, crime to social problem, and instead focuses upon the cultural politics of self-destruction. Suicide, the act, the body, the socio-medical problem, became the site on which diverse authorities were established and contested, not just the priest or the doctor, but also the sovereign, the public, and the individual. This panoramic history of modern Russia, told through the prism of suicide, rethinks the interaction between cultural forms, individual agency, and systems of governance.

On the Periphery of Europe, 1762-1825 Andreas Schönle, Andrei Zorin, 2018-11-16 Throughout the eighteenth century, the Russian elite assimilated the ideas, emotions, and practices of the aristocracy in Western countries to various degrees while retaining a strong sense of their distinctive identity. In *On the Periphery of Europe, 1762-1825*, Andreas Schönle and Andrei Zorin examine the principal manifestations of Europeanization for Russian elites in their daily lives.

through the import of material culture the adoption of certain social practices travel reading patterns and artistic consumption The authors consider five major sites of Europeanization court culture religion education literature and provincial life The Europeanization of the Russian elite paradoxically strengthened its pride in its Russianness precisely because it participated in networks of interaction and exchange with European elites and shared in their linguistic and cultural capital In this way Europeanization generated forms of sociability that helped the elite consolidate its corporate identity as distinct from court society and also from the people The Europeanization of Russia was uniquely intense complex and pervasive as it aimed not only to emulate forms of behavior but to forge an elite that was intrinsically European while remaining Russian The second of a two volume project the first is a multi authored collection of case studies this insightful study will appeal to scholars and students of Russian and East European history and culture as well as those interested in transnational processes

For Humanity's Sake Lina Steiner,2011-11-19 For Humanity's Sake is the first study in English to trace the genealogy of the classic Russian novel from Pushkin to Tolstoy to Dostoevsky Lina Steiner demonstrates how these writers shared concern for individual and national education played a major role in forging a Russian cultural identity For Humanity's Sake highlights the role of the critic Apollon Grigoriev who was first to formulate the difference between Western European and Russian conceptions of national education or Bildung which he attributed to Russia's special sociopolitical conditions geographic breadth and cultural heterogeneity Steiner also shows how Grigoriev's cultural vision served as the catalyst for the creative explosion that produced Russia's most famous novels of the 1860s and 1870s Positioning the classic Russian novel as an inheritor of the Enlightenment's key values including humanity self perfection and cross cultural communication For Humanity's Sake offers a unique view of Russian intellectual history and literature

The Cambridge History of Russia: Volume 2, Imperial Russia, 1689-1917 Maureen Perrie,D. C. B. Lieven,Ronald Grigoriev Suny,2006-08-17 A definitive new history of Russia from early Rus to the collapse of the Soviet Union

Engaging with Rousseau Avi Lifschitz,2016-07-28 Jean Jacques Rousseau has been cast as a champion of Enlightenment and a beacon of Romanticism a father figure of radical revolutionaries and totalitarian dictators alike an inventor of the modern notion of the self and an advocate of stern ancient republicanism Engaging with Rousseau treats his writings as an enduring topic of debate examining the diverse responses they have attracted from the Enlightenment to the present Such notions as the general will were for example refracted through very different prisms during the struggle for independence in Latin America and in social conflicts in Eastern Europe or modified by thinkers from Kant to contemporary political theorists Beyond Rousseau's ideas his public image too travelled around the world This book examines engagement with Rousseau's works as well as with his self fashioning especially in turbulent times his defiant public identity and his call for regeneration were admired or despised by intellectuals and political agents

Personality and Place in Russian Culture Simon Dixon,2010 Lindsey Hughes 1949 2007 made her reputation as one of the foremost historians of the age of Peter the Great by revealing

the more freakish aspects of the tsar's complex mind and reconstructing the various physical environments in which he lived Contributors to *Personality and Place in Russian Culture* were encouraged to develop any of the approaches featured in Hughes's work pointillist and panoramic playful and morbid quotidian and bizarre The result is a rich and original collection ranging from the sixteenth century to the present day in which a group of leading international scholars explore the role of the individual in Russian culture the myriad variety of individual lives and the changing meanings invested in particular places The editor Simon Dixon is Sir Bernard Pares Professor of Russian History at UCL School of Slavonic and East European Studies

Russia Reads Rousseau 1762 1825 Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Russia Reads Rousseau 1762 1825 PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Russia Reads Rousseau 1762 1825 PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal

boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Russia Reads Rousseau 1762 1825 free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Russia Reads Rousseau 1762 1825 Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Russia Reads Rousseau 1762 1825 is one of the best book in our library for free trial. We provide copy of Russia Reads Rousseau 1762 1825 in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Russia Reads Rousseau 1762 1825. Where to download Russia Reads Rousseau 1762 1825 online for free? Are you looking for Russia Reads Rousseau 1762 1825 PDF? This is definitely going to save you time and cash in something you should think about.
