Russia The Ussr And Eastern Europe A Bibliographic Guide To English Language Publications 1964 1974:

Russia, the USSR, and Eastern Europe Rosemary Neiswender, 1978 **Russia, the Ussr, and Eastern Europe** Horak, 1978 A History of Russia Volume 1 Walter G. Moss, 2003-07-01 This new edition retains the features of the first edition that made it a popular choice in universities and colleges throughout the US Canada and around the world Moss s accessible history includes full treatment of everyday life the role of women rural life law religion literature and art In addition it provides many other features that have proven successful including a well organized and clearly written text references to varying historical perspectives numerous illustrations and maps fully updated bibliographies accompanying each chapter as well as a general bibliography a glossary and chronological and genealogical lists *Eastern Europe Bibliography*, 1993 A selective work that documents the formative impact of the region s earlier history Includes reference aids and bibliographies general and descriptive histories of the land peoples and economies and works depicting intellectual and cultural life **Russian and Soviet Education 1731-1989** John T. Zepper, William W. Brickman, 2014-02-04 Volume 9 in the series of Reference Books in International Education This bibliography is intended to provide a reference aid to mature Russian Soviet scholars to those beginning a life long study of this field and to students in Russian Soviet Studies and allied fields This title provides a resource to scholars students and professionals seeking to understand the role played by education in various societies or regions of the world *Russia, the Roots of Confrontation* Robert Vincent Daniels, 1985 This book examines the historical contrasts between East and West and elucidates the Russian enigma It springs from the thesis that Russia s national character and its international relations can be understood only in light of the traumas and triumphs privation and privileges that the country weathered under the tsars and the Soviets **Russian Messianism** Peter J. S. Duncan, 2002-11 This unique work will be of great interest to those engaged in politics and Russian studies as well as professionals dealing with Russia **The Russian Revolution and Civil War 1917-1921** Jonathan Smele, 2006-04-15 The Russian Revolution and Civil War in the years 1917 to 1921 is one of the most widely studied periods in history It is also somewhat inevitably one that has generated a huge flow of literature in the decades that have passed since the events themselves However until now historians of the revolution have had no dedicated bibliography of the period and little claim to bibliographical control over the literature The Russian Revolution and Civil War 1917 1921 offers for the first time a comprehensive bibliographical guide to this crucial and fascinating period of history The Bibliography focuses on the key years of 1917 to 1921 starting with the February Revolution of 1917 and concluding with the 10th Party Congress of March 1921 and covers all the key events of the intervening years As such it identifies these crucial years as something more than simply the creation of a communist state Special Bibliography Series, 1957 **Historical Dictionary of Ukraine** Ivan Katchanovski, Zenon E. Kohut, Bohdan Y. Nebesio, Myroslav Yurkevich, 2013-07-11 Although present day Ukraine has only been in existence for something over two decades its recorded history reaches much further back for more than a thousand

years to Kyivan Rus Over that time it has usually been under control of invaders like the Turks and Tatars or neighbors like Russia and Poland and indeed it was part of the Soviet Union until it gained its independence in 1991 Today it is drawn between its huge neighbor to the east and the European Union and is still struggling to choose its own path although it remains uncertain of which way to turn Nonetheless as one of the largest European states with considerable economic potential it is not a place that can be readily overlooked The problem is or at least was where to find information on this huge modern Ukraine and since 2005 the answer has been the Historical Dictionary of Ukraine in its first edition and now even more so with this second edition It now boasts a dictionary section of about 725 entries these covering the thousand years of history but particularly the recent past and focusing on significant persons places and events political parties and institutions as well as more broadly international relations the economy society and culture The chronology permits readers to follow this history and the introduction is there to make sense of it It also features the most extensive and up to date bibliography of English language writing on Ukraine

Bibliography On Soviet Intelligence And Security Services Raymond G Rocca, 2019-03-08 This annotated bibliography is a valuable tool for research and teaching on Soviet intelligence and security services and its role in the country's domestic and international affairs It categorizes nearly 500 books articles and government documents pertaining to Soviet intelligence

The Soviet Union and Eastern Europe Stephan M. Horak, 1985 Intended to aid librarians in small and medium sized libraries and media centers this annotated bibliography lists 1 555 books focusing on the Soviet Union and Eastern Europe The book is divided into four parts 1 General and Interrelated Themes Union of the Soviet Socialist Republics and Eastern European Countries 2 Russian Empire Prior to 1917 and the USSR 3 USSR Non Russian Republics Jews Other Peoples and 4 Eastern European Countries Each part is arranged by subject with priority given to general studies followed by special studies sections where appropriate Titles in Part 1 focus on economics government and law political theory and communism international relations history language and literature dissent nationalism and religion sociology and social conditions and military affairs Titles in Part 2 deal with anthropology and folklore the arts fine arts and architecture economics education and culture geography demography and population government state and politics diplomacy and foreign relations history military affairs Russian language Russian literature philosophy and political theory psychology and psychiatry religion science and research and sociology Part 3 presents titles related to the Baltic Republics Belorussia Ukraine Caucasian Republics and peoples Central Asian Republics and peoples Jews Moldavians Germans and Tartars and the peoples of Siberia and the Volga Basin The last part focuses on Albania Bulgaria Czechoslovakia Hungary Poland Romania Yugoslavia National minorities and dissent and language and literature

LH **Problems of Communism**, 1980 **From German Königsberg to Soviet Kaliningrad** Jamie Freeman, 2020-11-10 This book explores how the Soviet Union after capturing and annexing the German East Prussian city of Königsberg in 1945 and renaming it Kaliningrad worked to transform the city into a model of Soviet modernity It examines how the Soviets

expelled all the remaining German people repopulated the city and region with settlers from elsewhere in the Soviet Union destroyed the key remaining German buildings and began building a model Soviet city a physical manifestation of the societal transformation brought about by communism However the book goes on to show that over time many of the model Soviet buildings were uncompleted and that the citizens aware of their Polish and Lithuanian neighbours to both the east and the west and appreciating their place in the wider Baltic region came to view themselves as something different from other Soviet and Russian citizens The book concludes by assessing present developments as the people of Kaliningrad are increasingly rediscovering the city's pre Soviet past and forging a new identity for themselves on their own terms

The A to Z of Bosnia and Herzegovina Ante Cuvalo, 2010-04-08 Diversity has always been at the heart of Bosnia and Herzegovina's character even its dual name and physical geography display a particular heterogeneity The medieval Bosnian state never enjoyed lasting political and ideological unity as its feudal regional and religious rifts pulled at the country's seams Furthermore because of its location and by a quirk of history three major world religious and cultural traditions Catholicism Islam and Orthodoxy became cohabitants in this small Balkan country Recently the rebirth of its statehood has been exceptionally bloody and its diversity has been shaken Even 11 years after the guns were silenced the country is still under the benevolent protection of the international community whose officials are keeping the state building process in perpetual suspense with no final result in sight The A to Z of Bosnia and Herzegovina sheds light on the uncertain situation Bosnia and Herzegovina faces while providing essential background information This is accomplished through a chronology an introduction a bibliography and more than 300 cross referenced dictionary entries on individual topics spanning Bosnia and Herzegovina's political economic religious and social system along with short biographies on important figures

The Muslims of Bosnia-Herzegovina Mark Pinson, 1996 Ranging from medieval times to the collapse of Yugoslavia in 1992 this volume concentrates on the internal development of the Muslim community in Bosnia Herzegovina and its relations with various suzerains This updated edition features new bibliographic material including a new section on resources covering Eastern Europe and the former Yugoslavia available through the Internet

Historical Dictionary of Bosnia and Herzegovina Ante Cuvalo, 1997-08-29 The Historical Dictionary of Bosnia and Herzegovina was created to assist the interested researcher in sifting through the long and complicated history of this region
