Best Russian Short Stories Thomas Seltzer,1917 Artzbashev The revolutionist Buin The gentleman from San Francisco Chekhov The bet Chekhov The darling Chekhov Vanka Dostovesky The Christmas tree Garshin The signal Gogol The cloak Gorky Her lover Saltykov How a muzhik fed two officials Andreyev The seven that were hanged Andreyev The red laugh Pushkin The Queen of spades Potapenko Dethroned Kuprin The outrage Korolenki The shades a phantasy Gorky One autumn night Andreyev Lazarus *Best Russian Short Stories* Lushena Books,Various,2014-06-23 At first all the stories are just depressing Some memorably so others humorously so others still just morosely so Many are about poverty vices the lusts of money fear of the cold or loneliness oppression and cruelty but each of them seems to focus very strongly on the crappiness of life They stay with you and they keep pulling you along Best of all they can be taken in at length most short stories collections get tiring after three or four stories here its possible to read them all in a sitting and enjoy every one of them At first you are depressed being hammered with these themes but about 60% of the way through these very well written pieces you realize that these Russians understand something our modern Western culture doesnt people are rotten and somehow this formerly depressing literature becomes a masterpiece of art They are painting you a picture of life that you dont want to hear the truth that when the veneer of life is stripped away people are just no good even down to the smallest child we are one and alike worthless Counter intuitively its very refreshing to see the honest truth and as a consequence you will remember these stories for the rest of your life These Russian writers they get it they make it hit home in a way that doesnt happen very often from new books or television or movies Alas by in large the writers are a post Christian bunch so instead of celebrating their brokenness and the kindness of God they are left with a void but unlike Camus who decides to fill his philosophy with nonsense words the Russian masters quietly abstain in favor of just showing you life through their eyes They just stare at the void in humanity They dont explain it nor mourn it nor fantasize on what might make it go away nor do they really accept it they just show you to it They show you real life a life without redemption without long term goals and its frankly brilliant Really it is This is a high quality book of the original classic edition This is a freshly published edition of this culturally important work which is now at last again available to you 21 Mark Lipovetsky,2019 This collection of Russian short stories from the 21st century includes works by famous writers and young talents alike representing a diversity of generational gender ethnic and national identities Most of texts in this volume appear in English for the first time 21 will appeal to anyone interested in contemporary Russia **Best Russian Short Stories** Various,2016-01-06 INTRODUCTION Conceive the joy of a lover of nature who leaving the art galleries wanders out among the trees and wild flowers and birds that the pictures of the galleries have sentimentalised It is some such joy that the man who truly loves the noblest in letters feels when tasting for the first time the simple delights of Russian literature French and English and German authors too occasionally offer works of lofty simple naturalness but the very keynote to the whole of Russian literature is simplicity

naturalness veraciousness Another essentially Russian trait is the quite unaffected conception that the lowly are on a plane of equality with the so called upper classes When the Englishman Dickens wrote with his profound pity and understanding of the poor there was yet a bit of remoteness perhaps even a bit of caricature in his treatment of them He showed their sufferings to the rest of the world with a Behold how the other half lives The Russian writes of the poor as it were from within as one of them with no eye to theatrical effect upon the well to do There is no insistence upon peculiar virtues or vices The poor are portrayed just as they are as human beings like the rest of us A democratic spirit is reflected breathing a broad humanity a true universality an unstudied generosity that proceed not from the intellectual conviction that to understand all is to forgive all but from an instinctive feeling that no man has the right to set himself up as a judge over another that one can only observe and record In 1834 two short stories appeared The Queen of Spades by Pushkin and The Cloak by Gogol The first was a finishing off of the old outgoing style of romanticism the other was the beginning of the new the characteristically Russian style We read Pushkin s Queen of Spades the first story in the volume and the likelihood is we shall enjoy it greatly But why is it Russian we ask The answer is It is not Russian It might have been printed in an American magazine over the name of John Brown But now take the very next story in the volume The Cloak Ah you exclaim a genuine Russian story Surely You cannot palm it off on me over the name of Jones or Smith Why Because The Cloak for the first time strikes that truly Russian note of deep sympathy with the disinherited It is not yet wholly free from artificiality and so is not yet typical of the purely realistic fiction that reached its perfected development in Turgenev and Tolstoy Though Pushkin heads the list of those writers who made the literature of their country world famous he was still a romanticist in the universal literary fashion of his day However he already gave strong indication of the peculiarly Russian genius for naturalness or realism and was a true Russian in his simplicity of style In no sense an innovator but taking the cue for his poetry from Byron and for his prose from the romanticism current at that period he was not in advance of his age He had a revolutionary streak in his nature as his Ode to Liberty and other bits of verse and his intimacy with the Decembrist rebels show But his youthful fire soon died down and he found it possible to accommodate himself to the life of a Russian high functionary and courtier under the severe despot Nicholas I though to be sure he always hated that life For all his flirting with revolutionarism he never displayed great originality or depth of thought He was simply an extraordinarily gifted author a perfect versifier a wondrous lyrist and a delicious raconteur endowed with a grace ease and power of expression that delighted even the exacting artistic sense of Turgenev To him aptly applies the dictum of Socrates Not by wisdom do the poets write poetry but by a sort of genius and inspiration I do not mean to convey that as a thinker Pushkin is to be despised Nevertheless it is true that he would occupy a lower position in literature did his reputation depend upon his contributions to thought and not upon his value as an artist
