R. Bowker LLC,1983 Adventist Review ,1980 The Gospel of Ruth Carolyn Custis James,2008 This isn t the Ruth the Naomi or the Boaz we thought we knew Carolyn James has unearthed startling new insights from this well worn story insights that have life changing implications for you Naomi is no longer regarded as a bitter complaining woman but as a courageous overcomer A Female Job Ruth typically admired for her devotion to Naomi and her deference to Boaz turns out to be a gutsy risk taker and a powerful agent for change among God s people She lives outside the box and her love for Yahweh and Naomi compels her to break the rules of social and religious convention at nearly every turn Boaz the Kinsman Redeemer is repeatedly caught off guard by Ruth s initiatives His partnership with her models the kind of male female relationships that the gospel intends for all who follow Jesus Carolyn James drills down deeper into the story where she uncovers in the Old Testament the same passionate counter cultural rule breaking gospel that Jesus modeled and taught his followers to pursue Within this age old story is a map to radical levels of love and sacrifice combined with the message that God is counting on his daughters to build his kingdom The Gospel of Ruth vests every woman s life with kingdom purposes and frees us to embrace wholeheartedly God s calling regardless of our circumstances or season of life This story of two women who have lost everything contains a profound message God created women not to live in the shadowy margins of men or of the past but to emerge as courageous activists for his kingdom
