Irish Rebel Terry Golway, 2015-10-05 Described by Padraig Pearse as the greatest of the Fenians, John Devoy was born before the Famine and lived to see the Irish tricolour flying from Dublin Castle. The descendent of a rebel family, he was an avowed Fenian who went into exile in New York in 1871. Over the next half century he was the most prominent leader of the Irish American nationalist movement. Every Irish leader from Parnell to Pearse sought his counsel. He organised a dramatic rescue of Fenian prisoners from Australia, rallied Irish America behind the Land War, served as a middle man between the Easter rebels and the German government, and helped move Irish American opinion in favour of the Treaty. When he died in 1928, Devoy was accorded a state funeral and a hero's burial in Ireland. This new revised edition of the acclaimed biography of this overlooked architect of the Irish independence movement is also the story of Ireland and of Irish America from the Famine to Freedom, examining the extraordinary cloak and dagger planning of the Easter Rising and the critical role of America in its outcome. The Devoy story in Terry Golway's hands combines wide scholarship and adventure; it reads like a novel. Get a comfortable chair when you read this book; you won't be able to put it down. Frank McCourt. Terry Golway tells the story of this exceptional man with affection and deft narrative sense; this book will charm and enlighten readers. Thomas Keneally.

The Dowerless Sisters Valerie Anand, Fiona Buckley, 2012 When their businessman father dies suddenly, leaving his affairs in disarray and his family in dire financial straits, it seems that sisters Charlotte and Victoria have little choice but to accept the support offered by their stuffy authoritarian Uncle Edward. But their mother has other ideas and, defying convention, she chooses to provide her daughters with careers. The girls' drapery business prospers, but there is a price to pay for their independence. They have severely compromised their marriageability. Vicky's reckless attempts at romance end in disaster, whilst Charlotte, outwardly more content with her lot, suffers behind the walls of her self-control, silently repressing her need for a man's love and enduring the fact that although she would have loved to have a child, she never will. But the twentieth century brings changes, and by an ironic twist of fate, Charlotte and Vicky find themselves guardians of their great-niece Paula, the granddaughter of a long-dead airman around whom Charlotte had long ago built groundless dreams. Like her grandfather, Paula is fascinated by flying, and unlike her great-aunt, her romance with an airman blossoms and results in marriage. But when tragedy threatens from an unexpected quarter, it is to her great-aunts that she turns to Vicky for comfort, but to Charlotte for the strength to go on into the future, and Charlotte
