

The poster features a large, close-up, high-contrast image of a man's face, focusing on his eyes and nose, which fills the upper half of the frame. Below this, a man in a dark suit is shown from the back, crouching in a field at night. A bright light source, possibly a flashlight or a fire, illuminates the ground around him. A yellow police tape is stretched across the middle of the scene. In the background, there are faint silhouettes of houses and trees. The overall tone is dark and suspenseful.

Rx For Murder Rx:

Rx Mayhem Nina Abbott, F. Paul Wilson, 2022-03-01 *Rx Mayhem* picks up only hours after the finish of *Rx Murder* Dr Norrie Marconi is in a good place She s solved an old friend s murder and her love life is blooming She still has issues to deal with such as her father s ghost and that malpractice suit but she feels like things are settling down and she s getting her life in order Wrong The senior doctor in her medical group drops a bombshell that threatens to disrupt her life some of the patients start acting strange and one winds up near death from multiple gunshot wounds Then there s her father s ghost who insists he won t be free until she finds out what happened to his boyhood friend Corrado whom he s sure was murdered When Norrie s inquiry turns up a dark side to Corrado she hires an eccentric psychic to free her father from the family home And that s when things take a sharp left turn

Double Dose F. Paul Wilson, 2023-09-19 *Double Dose* picks up right where *Double Threat* leaves off with a snarl of threads to tie up a host of mysteries to explain all complicated by some embarrassing intrusions from the past So many secrets in Nespodee Springs the biggest is revealed when Rhys and Daley track down the second half of the Pendry film and learn the secrets of the clan s Tesla tower and the catastrophic details of the plan to bring the Visitors back to Earth But the insidious malady known as the horrors remains a mystery claiming more and more victims every day Daley and Pard learn they can cure it if only the powers that be will allow them Daley finds herself in an ironic situation For the first time in her life she s trying to play it straight help people instead of scam them and no one will let her In the past when she s spun a web of lies the marks lapped it up like honey Now when she s telling the truth a life saving truth no one believes her And meanwhile over the Salton Sea an ominous darkness is growing
