broader look at them explaining how and why we celebrate each along with how the celebration of one leads to the next The first of two new titles from Ashleen offers a vision of the holidays we celebrate from October to March This book covers each holiday by first giving us its history and original customs then explaining its place in modern life Stories are shared for each Sabbat to reconnect us with our lore and bring new meaning to current practice Ashleen includes ideas for rituals that are ideal for practicing solitaires covens or Wiccan families with special sections on what children of various ages are ready to learn about these holidays

Wicca Wheel of the Year Magic Lisa Chamberlain, 2017-05-12 Everything You Need to Know About the Wiccan Wheel of the Year The ancients lived by a fundamental truth that is often lost in our fast paced world that time is circular as much as it is linear Following the Wheel of the Year by honoring the eight Sabbats or days of power as they re often called helps us integrate this concept of circular time into our daily lives The Wheel provides a sense of rhythm to the year as the equal increments of days and weeks between the Sabbats allow us to feel the seasons turning in a beautiful symmetry The Sabbats also provide a context for honoring the dynamic relationship between the Goddess and the God As the seasons turn the divine pair shifts from mother and child to co creative consorts and then back again We honor these shifting roles and aspects throughout the year with each Sabbat representing a point in the overarching story This close participation with the cycles of the season is what some Wiccans refer to as turning the Wheel Perhaps because it s such a big topic all on its own many introductory sources on Wicca tend to gloss over the Wheel providing just a paragraph or two on each holiday In Wheel of the Year Magic best selling author Lisa Chamberlain devotes a full chapter to each of the Sabbats their significance within the context of the ever changing seasons the part they play in the mythological cycle of the Goddess and the God and the spiritual themes they ask us to reflect upon as we celebrate them So whether you re just starting out in Wicca or you re a seasoned practitioner looking for new perspectives this guide can support and inspire your journey And while the information here is rooted in Wicca much of it is applicable to Pagans of all stripes as well as anyone who is simply curious about the rich traditions surrounding these milestones of the Old Religion For those who include spellwork in their practice the energies surrounding the Sabbats make them excellent opportunities to work magic In fact many Wiccans and other Witches like to incorporate spellwork and or spellcraft into their Sabbat celebrations As with all of Lisa s books the spells and other workings included in this guide can be followed as is or adapted to suit your individual style They can also be a springboard for more ideas about how to approach magical work on these special occasions
