The Sable Doughboys Tom Willard, 1998-02-15 Tom Willard began the compelling saga of African American fighting men and their wives in book one of *The Black Sabre Chronicles*, the highly acclaimed *Buffalo Soldiers*. In *The Sable Doughboys*, the second edition of the chronicles, Willard continues that captivating story as he takes us back to World War I and the sons of Sergeant Major Augustus Sharps, the great buffalo soldier of the Western Indian wars. Continuing their father's valiant fighting tradition, the two young men withstand vicious racial attacks in order to endure the first Negro officer training program. Once officers of the 93rd Division in 1917-18, however, Adrian and David Sharps face war on two fronts. They are subjected to racial hatred and violence on the home front as they prepare to face death in the horrors of trench warfare in the battle of the Meuse Argonne on the Western Front of France. *The Sable Doughboys* is an engrossing story of uncommon courage and fortitude, unheralded hallmarks of the African American soldier in America's wars. **Sable** Mike Grell, 2000 Having been expelled from his beloved Africa for work as just another soulless mercenary in the war-torn revolutionary African nations, Sable finds his way to New York and a new life. Only he discovers that the darkness within still threatens his return to his place in civilized society and an enemy from the past with an old score to settle is out to kill him.

Encyclopædia Britannica, 1810 **The Sable Quean** Brian Jacques, 2011-04-26 New York Times bestselling author Brian Jacques gives us another tale of Redwall filled with The Knights of the Round Table with paws. The Sunday Times along with their friends and enemies, Buckler the hare, Blademaster of the Long Patrol must save the youngsters of Redwall Abbey kidnapped by the vile Vilaya the Sable Quean and stop the villain's conquest of Mossflower Wood. **Airia of Legend** Joseph Michael Friedman, 2012-11-29 *Airia of Legend: The Fall*, Volume One of a seven-part series. An epic fantasy of a surreal world of God's creation that has been infected with the devastating consequences of sin and the beginning of a truly legendary story of a multi-millennial conflict between Good and Evil. *AIRIA OF LEGEND* is entirely fictional, yet you may notice it has many parallels to the Bible. This read is extremely in depth and requires a very open mind and immense imagination. Although a mythical world, most of the subject matter and the problems that are faced are very realistic. This book reads like a screenplay mixed into the format of a novel. If you want to be taken to other place and time, this is the book for you. **The Sable Quill** CAZEMBE ARUWALI, 2014-06-24 The story of the Sable Quill revolves around a young African American boy from Baltimore, MD, named Malik Mills, who has dyslexia and struggles academically and socially with his confidence. Malik is a budding athlete whose basketball skills are overshadowed by his anger and violent tendencies. His parents, school administrators,

neighbors and friends are at a loss to help Malik. Even a child psychologist who tested Malik and diagnosed his mood disorder and dyslexia was at a loss to help him. Through some majestic maneuvering, Malik wins a palm reading at the Universoul Circus and with it an onyx diamond and gold pen. This pen, unbeknownst to Malik, is magical. It provides Malik with advantages that he did not previously have. It sets up a collage of assists and opportunities for Malik, not just to change but to flourish and thrive. With the help of the Sable Quill, his parents, his potential love interest and tutor Tameka Thomas, and his own hard work, determination, and dedication, Malik changes his life, becomes a better person and a better student, and passes the legacy of the Sable Quill on to future posterity.

The Sable Moon Nancy Springer, 2014-12-23 A headstrong young prince enslaved far from home must rescue his imperiled kingdom and those he loves from an ancient dark sorcery in Nancy Springer's magnificent third entry in the Book of Isle. The life of young Prince Trevyn of Isle changes forever on the day a mysterious boy named Gwern is welcomed without question into the family's castle. Stubborn and resentful of the unwanted intrusion, the errant teenage prince abandons his home and soon finds himself both in love and in jeopardy. Enraptured by the village girl Meg, he incurs the wrath of Wael, a powerful warlock, by saving the lady of his heart and her people from certain destruction. But young Trevyn's trials have only just begun. Lured across the seas by his vengeful foe, he is captured and enslaved and must somehow find his way to freedom. For the unprotected Isle is now at Wael's mercy, and love will surely die if the boy prince cannot return to the realm as its champion. A classic epic fantasy in the grand tradition of J. R. R. Tolkien, set in an ancient island sanctuary of gods and ghosts and magic, Nancy Springer's captivating Book of Isle saga is brimming with adventure, romance, evil, mythic quests, legendary history, and ingeniously imagined locales.

Sable Stones of Melentar Stephen Morris, 2009-09-27 What if Dwarfs, Elves, and Magicians were not a fantasy but one possible outcome of earth's future? That is what the four story's heroes are about to find out. A Marine, a college student, a horticulturalist, and a thief are seized by a wizard using the magical Sable Stones to aid in the destruction of a seemingly unstoppable evil. To help ensure victory, they are put through extensive fighter, mage, druid, and thief training and given one month to recover four legendary items to aid them in their final quest. The heroes then descend into the evil dungeon fortress to face and hopefully defeat the horrors inside.
