**Numbers** Jay Sklar, 2023-10-24 A new commentary for today's world. The Story of God Bible Commentary explains and illuminates each passage of Scripture in light of the Bible's grand story. The first commentary series to do so. SGBC offers a clear and compelling exposition of biblical texts guiding everyday readers in how to creatively and faithfully live out the Bible in their own contexts. Its story-centric approach is ideal for pastors, students, Sunday school teachers, and laypeople alike. Three easy-to-use sections designed to help readers live out God's story. LISTEN to the Story. Includes complete NIV text with references to other texts at work in each passage, encouraging the reader to hear it within the Bible's grand story. EXPLAIN the Story. Explores and illuminates each text as embedded in its canonical and historical setting. LIVE the Story. Reflects on how each text can be lived today and includes contemporary stories and illustrations to aid preachers, teachers, and students. Praise for SGBC. Pastors and lay people will welcome this new series which seeks to make the message of the Scriptures clear and to guide readers in appropriating biblical texts for life today. Daniel I Block, Wheaton College and Graduate School. An extremely valuable and long overdue series that includes comment on the cultural context of the text, careful exegesis, and guidance on reading the whole Bible as a unity that testifies to Christ as our Savior and Lord. Graeme Goldsworthy, author of *According to Plan*. Engagingly readable, it not only explores the biblical text but offers a range of applications and interesting illustrations. Craig S. Keener, Asbury Theological Seminary. I love the SGBC series. It makes the text sing and helps us hear the story afresh. John Ortberg, Senior Pastor, Menlo Park Presbyterian Church. A perfect tool for helping every follower of Jesus to walk in the story that God is writing for them. Judy Douglass, Cru.

**Spirituality** Kees Waaijman, 2002 This textbook is a systematic guide to the extensive field of spirituality. Kees Waaijman charts the multiform phenomenon of spirituality: the spirituality of ordinary people, the great spiritual traditions, and the force of counter-movements. From the foundation of this survey, he answers questions like: What exactly is spirituality? What forms can a scholarly approach take? Finally, the book provides methodic access to the study of spirituality, focusing on the following questions: Which are the different forms of spirituality and how can we describe them? How can spiritual texts be given a reliable reading? Which themes can be distinguished in the field of spirituality and what would be a meaningful way to address them? What do we mean by spiritual guidance and what can we learn from it? This textbook has no equal. It is

indispensable to scholars wishing to study the subject but also to others who want to learn about spirituality      **Open the Door** Joyce Rupp, 2008-09-01 The long awaited book from best selling spiritual guide Joyce Rupp creatively leads readers to explore how the image of the door can guide them in a process of discovering their true self Joyce Rupp brings new life to the ageless spiritual image of the door weaving insights from East and West with the wisdom of contemporary spiritual writers poets and novelists in a practical format that is just right for contemporary readers Structured as a daily prayer guide for everyday use over six weeks each day offers a thematic reflection a guided meditation an original prayer a thoughtful question and a related scripture quote A built in guide for small groups makes this the perfect resource for groups of all kinds as well as individuals      *Lamb of the Free* Andrew Remington Rillera, 2024-03-13 *Lamb of the Free* analyzes the different sacrificial imagery applied to Jesus in the NT in light of the facts that a there is no such thing as substitutionary death sacrifice in the Torah neither death nor suffering nor punishment of the animal has any place in the sacrificial system and b there are both atoning and non atoning sacrifices Surprisingly the earliest and most common sacrifices associated with Jesus s death are the non atoning ones Nevertheless when considering the whole NT Jesus is said to accomplish all the benefits of the entire Levitical system from both atoning and non atoning sacrifices and purification Moreover all sacrificial interpretations of Jesus s death in the NT operate within the paradigm of participation which is antithetical to notions of substitution The sacrificial imagery in the NT is aimed at grounding the exhortation for the audience to be conformed to the cruciform image of Jesus by sharing in his death The consistent message throughout the entire NT is not that Jesus died instead of us rather Jesus dies ahead of us so that we can unite with him and be conformed to the image of his death

what he was trying to teach Combining critical readings of the earliest canonical texts with narrative accounts of five members of the Buddha's inner circle Batchelor depicts the Buddha as a pragmatic ethicist rather than a dogmatic metaphysician He envisions Buddhism as a constantly evolving culture of awakening whose long survival is due to its capacity to reinvent itself and interact creatively with each society it encounters This original and provocative book presents a new framework for understanding the remarkable spread of Buddhism in today's globalized world It also reminds us of what was so startling about the Buddha's vision of human flourishing
