Sacred Connections Stories Of Adoption:

Sacred Connections Mary Ann Koenig, 2008 *Sacred Connections* Ann Koenig, Niki Berg, 2001-02-27 Personal sagas of adoption's particular issues and experiences fill this thought provoking look at 25 adoptive families written by a prominent expert who was an early champion of open adoption Clinical psychologist Mary Ann Koenig recounts real life stories of adoptees and their relationships with both their birth and adoptive parents Anyone who is part of an adoptive family or is contemplating adopting a child is sure to learn from the circumstances told in these stories and derive enormous inspiration from the triumphs and insights of these ordinary but quite extraordinary relationships Essays are graced by vintage and contemporary photographs Dr Mary Ann Koenig an adoptee herself has counseled adoptees birth parents and adoptive parents for more than twenty years Niki Berg's photographs have appeared in *Ms* and *Smithsonian* **Creative Arts**

Therapies Approaches in Adoption and Foster Care Donna J. Betts, 2003 Creative arts therapists and others who work with children in counseling nursing teaching and related fields will find insights on the use of creative arts therapy with adopted children and children in foster care here Theoretical perspectives and psychological constructs of adoption and foster care are described and approaches to treatment including art drama music play and sand therapies are presented in case study format An entire section is devoted to transcultural and transracial issues Annotation c 2003 Book News Inc Portland OR booknews.com **International Korean Adoption** Kathleen Ja Sook Bergquist, 2007 They came to Korea to save children from want or from the shame of illegitimacy to fill the empty arms of couples to lead small souls into evangelical Christianity Whatever their motives and methods a relatively small number of people facilitated a massive international and trans racial adoption system that changed thousands of lives In this multidisciplinary study researchers examine what happened to the birth mothers the children and the adoptive families involved along with the non governmental and governmental agencies that acquired powerful positions in choosing who went who stayed who got and who went without Contributors examine the adoptions from the Korean side the adjustment issues of young adults who were adopted ethnic identity marketing of adoption services representations of the adopted in popular Korean culture and the consequences of failures This should serve as a model for studies of other instances of mass international adoptions

Growing in the Dark Janine M. Baer, 2004-05-28 Generations of adults who were adopted as children have been kept in the dark about their original identities The law sealing birth records passed in 1935 in California during the Great Depression swept adoptions emotional complexities under the rug and made it possible to keep adoption itself a secret Reflecting extensive archival research and written for general audiences as well as professionals *Growing in the Dark* Adoption Secrecy and Its Consequences takes you through Californias early adoption laws the sealing of records in the era of baby seller Georgia Tann and the various consequences of this policy as they unfolded throughout the 20th century **WHAT REVIEWERS HAVE SAID** articulate easy to read and filled with real facts concerning sealed records Jean Brown adoptee If

you work or live with adoption you cannot afford to skip this book Everyone seeking to reverse outdated sealed records laws should also provide a copy of the slim paperback to their legislatures Mirah Riben author full of fascinating information you wont be able to put it down Anita Field Bastard Nation Janine Baer who was adopted in California focuses on the California law enacted in 1935 sealing original birth certificates Contrary to the popular perception the intent of this law was not to protect the privacy of birthmothers Rather these records were sealed to protect children from the stigma of illegitimacy to protect adoptive parents from intrusions by birthparents to allow adoptive parents to keep the childs adoptive status a secret to create the illusion that the birthparents did not exist and to prevent adoptees from finding their birthfamilies This is an excellent book for birthparents adoptees and adoptive parents who want to know how we got to where we are Jane Edwards Portland Oregon Growing in the Dark by virtue of its modest length and accessibility can be used to educate people both within and outside of the adoption reform movement about the effects of sealed records and the faulty premises used to support them Barbara Busharis American Adoption Congress Decree Extensive notes and bibliographic information make it an excellent resource for those arguing for open records Sandra Falconer Pace Canadian Council of Natural Mothers Note on price Nonprofit organizations and resellers get 40% off Call Xlibris for these orders 1 888 795 4274

Making Room in Our Hearts Micky Duxbury, 2007-05-07 Adopted persons face challenges their entire lives as they struggle to answer the most basic question Who am I The hope of open adoption is that adopted children will develop stronger identities if they have the opportunity to develop healthy ongoing relationships with their families of origin Making Room in Our Hearts offers an intimate look at how these relationships evolve over time with real life stories from families who have experienced open adoption first hand This book helps both adoptive and birth parents address their fears and concerns while offering them the support to put the child s psychological and spiritual needs at the center of adoption Based on interviews with more than one hundred adopted children birth and adoptive parents extended families professionals and experts the book is an effective and invaluable resource for those considering open adoption those experiencing it and professionals in the field Openness has altered the landscape of adoption and Making Room in Our Hearts will help us catch up to the reality that is open adoption today

The Coordinated Management of a Culturally Diffused Identity Jeffrey J. Leinaweaver, 2011-07

Internationally adopted persons confront multiple challenges in constructing their identities This study of the narrative burden of self looks at and interprets the dynamic process in which internationally adopted people develop coordinate and manage their sense of self identity and cultural racial personhood Drawing on the theory of the Coordinated Management of Meaning CMM the study focuses on their use of orphaning and adoption stories to most skillfully position and tell one s origin story in concert with one s internal sense of self and the pressures and forces found in interpersonal and intercultural dialogue The research reveals how internationally adopted people develop and demonstrate varying levels of game mastery in managing societal scripts and oppressive frames of stigma Through this game mastery the research brings to view how the participants have reflexively learned to claim ownership of their stories and develop a sense of agency while fashioning self empowering narratives out of the resources of their personal root journeys to better manage frame and coordinate the meaning of their stories across cultural and interpersonal boundaries

Mormon Women's History Rachel Cope, Amy Easton-Flake, Keith A. Erikson, Lisa Olsen Tait, 2017-11-29 Mormon Women s History Beyond Biography demonstrates that the history and experience of Mormon women is central to the history of Mormonism and to histories of American religion politics and culture Yet the study of Mormon women has mostly been confined to biographies family histories and women s periodicals The contributors to Mormon Women s History engage the vast breadth of sources left by Mormon women journals diaries letters family histories and periodicals as well as art poetry material culture theological treatises and genealogical records to read between the lines reconstruct connections recover voices reveal meanings and recast stories Mormon Women s History presents women as incredibly inter connected Familial ties of kinship are multiplied and stretched through the practice and memory of polygamy social ties of community are overlaid with ancestral ethnic connections and local congregational assignments fictive ties are woven through shared interests and collective memories of violence and trauma Conversion to a new faith community unites and exposes the differences among Native Americans Yankees and Scandinavians Lived experiences of marriage motherhood death mourning and widowhood are played out within contexts of expulsion and exile rape and violence transnational immigration establishing civilization in a wilderness and missionizing both to new neighbors and far away peoples Gender defines limits and opens opportunities for private expression public discourse and popular culture Cultural prejudices collide with doctrinal imperatives against backdrops of changing social norms emerging professional identities and developing ritualization and sacralization of lived religion The stories experiences and examples explored in Mormon Women s History are neither comprehensive nor conclusive but rather suggestive of the ways that Mormon women s history can move beyond individual lives to enhance and inform larger historical narratives
