

A person in a white dress is captured in a dynamic, arched pose, standing on the crest of a dark, grassy hill. The background is a vast, bright blue sky filled with wispy white clouds. A brilliant sun is positioned in the upper right, casting a strong light and a long, dark shadow of the person onto the hill's surface. The overall mood is one of resilience and triumph.

Sacred Wounds Succeeding Because Of Lifes Pain:

Sacred Wounds Jan Goldstein, 2010-11-30 In this immensely affecting and empowering guide Jan Goldstein teaches readers how to take their most emotionally painful life events their spiritual wounds and transform them into a source of power and well being Goldstein's life affirming program is inspired by his own heartbreak the February morning when he was faced with the sudden news that his twelve year marriage was ending leaving Goldstein with primary custody of their three small children Though paralyzed at first by feelings of loss and depression Goldstein eventually discovered that the pain allowed him and his children a deeper appreciation for the simple moments of joy that his once broken family was succeeding not despite its wounds but because of them In **Sacred Wounds** Goldstein reveals the secret to finding strength in challenging and often traumatic events outlining a life changing nine step process to help readers move through heartache and toward healing In clear compassionate language he refutes the notion of pain as a destroyer drawing on the compelling stories of many of the people he has counseled along the way Rick and Sara who are plagued by infertility Yvette an aspiring man who battles her secular desires Steve for whom a frightening diagnosis portends the end and then the beginning of hope Remarkably affecting and inspiring Goldstein's stories confirm that we are all well equipped to deal with the inevitable hurts and heartbreaks in life if only we release our preconceptions acknowledge the strengthening power of our wounds and follow the nine steps to a spiritual rebirth Indispensable for anyone suffering through spiritual and emotional difficulties **Sacred Wounds** is the key to shifting our perceptions and finding new strength and success in the painful experiences we all endure

Sadness, Happiness, Blissfulness Gede Prama, 2013-05-07 Suffering grief and lamentation are the major natures of life in the recent days For some people this phenomena is a chastisement from God castigation upon the greediness of humanity or any other kinds of condemnation Nevertheless this small and modest book distinguishes opportunity for evolution that lies behind the misery Suffering is indeed frightening for most people yet this book unveils that sorrow does own other quality than fear for it might become vitamin for the growing of a soul chance to compensate karmic debts Splendorous meditation materials and vigor that leads to wisdom Moreover suffering might as well provide strong roots for the forth coming happiness Above all those step beyond suffering and happiness shall behold an opening gate of life that is blissfulness enlightenment and ultimate healing Nature as a symbol of enlightenment and ultimate healing keeps whispering nature has far longer age than human being because it welcomes all seasons Those who deeply embodying this in life might have a boundless capacity to suffer and able to see that life and death are one
