Speeches of Deception Salomon Ruysdael, 2003-02-26 It has been said that Saddam Hussein held an almost hypnotic force over the Iraqi people when he spoke Without a doubt this volume reveals that Saddam is an amazing orator who uses his special talent to oblige a nation to do his bidding This book is a window into the present where we can witness the power Saddam Hussein's words had over the masses The consequences of a nation of a world rested upon this unique blend of propaganda and emotion No one should forget the devastation brought about by President Saddam Hussein and this collection of 27 Speeches by the dictator is a unique opportunity to experience how words can be used to incite a nation A work of this sort will give the reading public direct access to Saddam Hussein's Dictatorship which the reader in turn can closely study by making use of the bibliographic material that is listed This is a vitally important avenue to provide the reading public

[The Future of Our Nation](#) Alvin R. Ervin, 2021-08-30 This book is in the epistle form written just as the Bible When the apostles wrote letters to the various churches those letters are epistles Those epistles were not only written to those particular churches They were also written to the entire body of Christ the modern day church today This book is written in the same manner It was written to a man of God whom I honored highly He is no longer with us now He was the president of Southwest Radio Church Ministries but like all other epistles it's also written to all churches every person in this nation and nations through the planet It opens with my testimony with regard to how and when I became a Christian It goes on support David Barton's material entitled *Our Godly American Heritage* It encourages godly people to obtain this material and all videos and books Mr Barton's ministry has to offer I included excerpts from this particular video to whet the appetite of the people of the US and all readers of the book David Barton brings forth information regarding our history He issues statistics differentiating how things are currently after prayer is removed from

all schools and life in this nation when prayer was prayed by our students at all levels even our little ones It made a great difference spiritually and in other ways in the lives of God s people I am reaching out to the president currently on Facebook with regard to this matter See ARE Outreach Facebook and Alvin Ervin Facebook if you like This book also supports Vaughn Shatzer s material entitled A New World Disorder He brings forth information regarding a new world order We know this is in the work currently because President George H W Bush issued this statement to the American people in the late eighties stating It is now time for a new world order President Bill Clinton allowed Vice President Al Gore to make a statement on his behalf from England declaring What was written with a quill pen is now outdated we need to reinvent government Our Constitution was written with a quill pen There are those in this nation who are wanting to abolish it But prayer is making a big difference There are twenty eight nations in Europe currently under one world currency The book of Revelation reveals to us there will be one world order meaning every nation on the planet will be under one world currency one world military and one world religion But our prayer is that it does not occur until Christ raptures His church This book concludes by informing God s people in this nation as well as nations throughout the earth that Christ is coming soon to catch His Bride away through the Rapture The Word of God says in First Thessalonians 4 16 17 For the lord Himself shall descend from heaven with a shout with the voice of the Archangel and with the trump of God and the dead in Christ shall rise first Then we which are alive and remain shall be caught up together with them in the clouds to meet the Lord in the air and so shall we ever be with the Lord God s Word says in Matthew 24 32 35 that the generation that sees the fig tree take on its leaves shall not pass away until all things are fulfilled The nation of Israel is the fig tree and it took on her leaves in 1948 after lying dormant over two thousand years when the Roman general destroyed the Jewish Temple in AD 70 It discontinued the Jewish way of life This book also concludes by teaching God s people from the book of Revelation chapter 13 regarding the one world order
