The Climb Up and Away Tom Lewin,2021-08-26 So you think when you go before the judge you re going to get a fair and unbiased hearing No no no you silly billy Unless you re pristinely clean and even then you have been weighed and measured before you even get in the dock From the senior police officer who puts the word in to the prosecution who then puts the word into the ear of the judge He will even know what you ve had for breakfast In my latest court case at Coventry Magistrates Court I was charged with refusing to name the driver of a vehicle that I had sold even though I had informed the police The prosecution caught the eye of the judge and held it Your honour this is a difficult case and there are more serious charges The judge nodded imperceptibly I was found guilty after 5 minutes No witnesses No press You can guess what my chances are for an appeal What serious charges I ve heard nothing In September an ex tenant broke into my house with eight mates in balaclavas and robbed me In April a plumber broke into one of my properties stole a boiler and a waste trap He admitted it on WhatsApp In both cases the police have done nothing No evidence you see The police pick on easy targets to get their results If it s too difficult they turn away *The Farm Boy* Monty Bryden,2019-01-08 Monty Bryden's story spans almost a century and takes him from his childhood idyll within the farming community of Argyll in Scotland through the precarious world of commodities trading import and export At times his life story reads like an epic action movie escaping hired killers in the dark underbelly of Central Africa facing years in jail for international fraud and battling two separate life threatening cancers The book details his life from the beginning from meeting his great love to farm management from

leading a family life to adventures abroad in Venezuela to Europe and deepest Africa where he traded in commodities and beyond As a young man he came face to face with death on the farm trapped underwater behind the wheel of a runaway oil tanker and during a treacherous flood in Italy when he spent a long and anxious night perched high up in the swaying branches of a none too secure tree facing the fear that he lost his wife and young children as they were swept away by strong and violent currents Yet his closest dice with death came at the hands of a paid killer in Africa having become involved in a major international fraud which hoodwinked several global banking giants and brought some world leading commodities brokers to their knees in a textbook anatomy of a major scam of mammoth proportions aided by the incompetence and secrecy of the world banking community Having also won the battle of two life threatening cancers in his later years Monty now in his 90s is about to embark on his next big adventure His story is both an education and inspiration

Committee on Appropriations. Subcommittee on District of Columbia,1977 Western Journal of Education ,1911 *Moderator-topics* ,1908 **The Razor's Edge** Karl Jirgens,2022-05-26 Unwillingly I ve become part of the story Questions lie when reconstructing incomplete facts half truths enigmas What remains is incompleteness interruption Only the dead know what happened In *The Razor's Edge* Karl Jirgens presents a collection of interlinked fictions that inhabit halfway worlds between past and present dream and actuality science and divination Ordinary daily activities and events lead to unexpected slides into lucid dreams and flirtations with the edge of madness Drawing on literature and pop culture from Cinderella and Hamlet to Vladimir Mayakovsky and Anthony Bourdain as well as the history of twentieth century genocides including the Holocaust and the Gulag these complex magic realist stories suggest that what seems separate is really interconnected that the distinction between past present and future is illusion and that we might all die of the truth if the truth were truly known

Youth's Companion ,1877 **That's That** Gaye Walsh,2010-10-22 *That's That* is a multi generational family saga telling the story of Charlie and Louise Frowney and the generations from which they sprang The story follows several generations of two families set against a backdrop of the famine Irelands struggle for independence the divisive treaty with England the ensuing civil war the provisional IRA the Royal Irish Constabulary and the formation of the Irish Free State Through the generations these families are faced with desperate choices and sometimes the decisions they make bring unforeseen results The early 1920s was a time when Ireland was roiling with political strife and two brothers from an IRA family forced by the hand of poverty decide to go against everything their family stands for and join the Royal Irish Constabulary bringing terrible consequences One of the brothers courts a young girl whose family is on the opposite side of the political divide The results of this relationship are profound far reaching and cause wounds that run deep A generation later history repeats itself in a love affair between a man from an IRA family and the daughter of a retired Royal Irish Constabulary member Neither side has learned anything from the past

and each still believes that some things are unforgivable Although the couples determination to rise above the old hatreds is stronger than the opposition from their families their drastic action makes things worse The consequences of thoughtless choices and family prejudices eventually put stress on the marriage resulting in remorse and isolation and the fl ying apart of the family with one desperate act Thats That tells the compelling story of an orphan determined to make his way laying the ground for three subsequent generations to prosper but will deep seated hatreds and prejudices destroy everything he set in motion and hoped for for his descendants **Scotland and Nationalism** Christopher Harvie,1998 First published in 1977 Scotland and Nationalism Christopher Harvie s acclaimed study of Scottish culture and politics since the Union of 1707 has been extensively rewritten to bring the story entirely up to date drawing on the remarkable output of Scottish historians and writers in more recent years A new chapter discusses the whole of the Referendum and Devolution and a rewritten last chapter examines topics like the Dunblane massacre forms of popular culture and the development of nationalist feeling in a wider cultural context Beneath the political level but interacting with it Harvie sees the evolution of a civic republicanism which unless checked by real measures of federalism renders the future of the Union unpromising *Monthly Packet* ,1865
