India in the Making of Singapore

Asad Latif, 2008 This book is an historical account of India s relations with Singapore which have reached a new peak today It highlights several turning points in that relationship the role of Bengal in Sir Stamford Raffles s decision to set up a base in Singapore the contribution of Indian labour to the construction of Singapore the Singapore Mutiny of 1915 Netaji Subhas

Chandra Bose's arrival in wartime Singapore and the revitalization of the Indian National Army independent Singapore's early relations with India the dramatic breakthrough in ties created by India's Look East policy following the end of the Cold War and the arrival of global Indians in Singapore

'Pre-Islamic Survivals' in Muslim Central Asia R. Charles Weller, 2023-04-30 The book traces the conceptual lens of historical cultural survivals from the late 19th century theories of E. B. Tylor James Frazer and others in debate with monotheistic degenerationists and Protestant anti-Catholic polemicists back to its origins in Jewish Christian and Muslim traditions as well as later more secularized forms in the German Enlightenment and Romanticist movements These historical sources particularly the dual faith tradition of Russian Orthodoxy significantly shaped both Tsarist and later Soviet ethnography of Muslim Central Asia helping guide and justify their respective religious missionary social legal political and other imperial agendas They continue impacting post-Soviet historiography in complex and debated ways Drawing from European Central Asian Middle Eastern and world history the fields of ethnography and anthropology as well as Christian and Islamic studies the volume contributes to scholarship on syncretism and conversion definitions of Islam history as identity and heritage and more It is situated within a broader global historical frame addressing debates over pre-Islamic Survivals among Turkish and Iranian as well as Egyptian North African Berber Black African and South Asian Muslim Peoples while critiquing the legacy of the Geertzian cultural turn within Western post-colonialist scholarship in relation to diverging trends of historiography in the post-World War Two era

Understanding Christian Mission Scott W. Sunquist, 2013-09-15 This comprehensive introduction helps students pastors and mission committees understand contemporary Christian mission historically biblically and theologically Scott Sunquist a respected scholar and teacher of world Christianity recovers missiological thinking from the early church for the twenty-first century He traces the mission of the church throughout history in order to address the global church and offers a constructive theology and practice for missionary work today Sunquist views spirituality as the foundation for all mission involvement for mission practice springs from spiritual formation He highlights the Holy Spirit in the work of mission and emphasizes its trinitarian nature Sunquist explores mission from a primarily theological rather than sociological perspective showing that the whole of Christian theology depends on and feeds into mission Throughout the book he presents Christian mission as our participation in the suffering and glory of Jesus Christ for the redemption of the nations
