Cinderella Church: the Story of Early Christianity R. John Kinkel, 2008-09-29 Christianity is the largest religion in the world with approximately 2 1 billion adherents Nonetheless when measured by the gold standard early Christian teachings and practice we find considerable slippage Two words describe current church problems and failures dull and devious At the highest levels of Catholic leadership for example we find scandals galore Top officials pilfer 40 million in Detroit to build

national shrines Cardinals and bishops cover up priest sexual abuse and the pope most recently ignores high ranking bishops and cardinals pleas to allow Catholics to use condoms to prevent the spread of HIV AIDS That is the devious part At the lower end of the totem pole are priests and laity that just don t get it They say their prayers go to mass and have their baptisms they wonder why their kids don t go to church any more Not enough priests We will close the small churches and build a mega church One small city in Wisconsin pop 40 000 did this at the cost of 12 million Care to measure the cost of celibacy Pay pray and obey is the mantra and the young people don t like it Little wonder that only 1 in 3 Christians practice their faith to any appreciable degree and fail to pass religious traditions on to the next generation Instead of going after the lost sheep the pope says maybe we need a small dedicated remnant of believers Interesting strategy when you have driven the sheep away with questionable policies no women priests no married priests no condoms to fight AIDS The Gospel of Peter and Early Christian Apologetics Timothy P. Henderson,2011 Slightly revised version of the author s thesis Ph D Marquette University 2010 Pastor Paul (Theological Explorations for the Church Catholic) Scot McKnight,2019-09-03 Being a pastor is a complicated calling Pastors are often pulled in multiple directions and must become all things to all people 1 Cor 9 22 What does the New Testament say or not say about the pastoral calling And what can we learn about it from the apostle Paul According to popular New Testament scholar Scot McKnight pastoring must begin first and foremost with spiritual formation which plays a vital role in the life and ministry of the pastor As leaders pastors both create and nurture culture in a church The biblical vision for that culture is Christoformity or Christlikeness Grounding pastoral ministry in the pastoral praxis of the apostle Paul McKnight shows that nurturing Christoformity was at the heart of the Pauline mission The pastor s central calling then is to mediate Christ in everything McKnight explores seven dimensions that illustrate this concept friendship siblings generosity storytelling witness subverting the world and wisdom as he calls pastors to be conformed to Christ and to nurture a culture of Christoformity in their churches **The Catholic Bible, Personal Study Edition** Jean Marie Hiesberger,2006-12 The essential resource for Scripture students Cover **The Story of Christian Music** Andrew Wilson-Dickson,2003 Music has been at the heart of Christian worship since the beginning and this lavishly illustrated and wonderfully written volume fully surveys the many centuries of creative Christian musical experimentation From its roots in Jewish and Hellenistic music through the rich tapestry of medieval chant to the full flowering of Christian music in the centuries after the Reformation and the many musical expressions of a now global Christianity Wilson Dickson conveys a glimpse of the fecundity of imagination with which humanity has responded to the creator God Book jacket CSB *(in)courage Devotional Bible* (in)courage,CSB Bibles by Holman,2018-10-01 The CSB in courage Devotional Bible invites women to courageously engage with the biblical narrative to discover how it intersects with their own unique story Featuring devotions rooted in the real life experiences of more than one hundred members of the in courage community the CSB in courage Devotional Bible provides resources for women to make meaningful connections explore the Bible and find

Overview of God's Word: The True North of our Faith Riaan Engelbrecht,2023-05-24 The Bible is an epic masterpiece There is a continuous flow to the Bible and it does flow like a story It is God s story told through numerous characters events adventures trials tribulations and situations There is nothing grander or more splendid than God s story This book is not a comprehensive study of the Bible therefore it is not a blow by blow account of every book and every story Rather it is a sweeping glance at what the Bible offers We can only know the heart of God who God truly is and understand His commandments His teachings His truths and values when we study and know the Word The Bible is truly God s Word and should shape our lives daily If one reads the Bible as led by the Spirit without a preconceived bias for finding errors or based on one s education or understanding one will find it to be a coherent consistent and relatively easy to understand book of God It is the Truth and so it is the light and lamp unto our feet and path The Bible must be treated by disciples as all sufficient and inerrant without error to lead us guide us teach us and show us the way and the will of God The Word of God is real alive and powerful and the final authority on God s will As believers of God we must know the Word study it love it cherish it and abide by it for it is the source of eternal life faith salvation freedom spiritual food growth blessedness purity guidance comfort spiritual victory assurance and of joy May we know it to find our purpose and the meaning of life according to a great and awesome God
