Sacrifice of Jesus Christ On the occasion of the 11th Assembly of the World Council of Churches in 2022 in Karlsruhe ecumenically minded Protestant Free Church Old Catholic Roman Catholic and Orthodox theologians from Germany have taken up this topic afresh They provide insights into the current state of ecumenical conversations present the various traditions of confessional worship and offer practical suggestions for an ecumenically sensitive liturgical practice The German Ecumenical Study Committee D STA contributes a joint statement on the subject Memories of the 3rd Ecumenical Kirchentag Church Congress 2021 in Frankfurt am Main are revived The decision to go to the Lord s Table together trusting in the presence of Jesus Christ in the celebration of Holy Communion Eucharist and Holy Sacrifice can be justified theologically but continues to raise controversy On the Sunday of the Assembly in Karlsruhe September 4 2022 a rich range of liturgies will commemorate the life of Jesus his death for us and the sending of God s Spirit Together all churches testify that The love of Christ moves reconciles and unites the world Gift and Promise Peter Schmiechen,2016-12-09 What would happen if the liturgy for the Lord s Supper started with the images in the New Testament rather than the divisions of our past It would be like going through an open door into a new world There we would find a new Passover celebration a new covenant and remembrance and proclamation of Jesus death and resurrection all in the context of the kingdom of God It would be an evangelical Lord s Supper This is a high risk operation given the reliance by many on transactional sacrifice and the tendency to reduce the Supper to a sacrament of penance for individuals Ideas rejected by Luther and Calvin now reappear even among Protestants The goal cannot be reached by subtracting a few things and adding references to eschatology and joy The good news is that many churches have already taken steps to reform their liturgies To support that process here is a clear and consistent evangelical perspective based on the theology and biblical considerations that have formed our faith and practice The Churchman ,1888 **A Wesleyan Spiritual Reader** Bishop Rueben P. Job,2011-09-01 A Wesleyan Spiritual Reader provides resources for a 26 week devotional experience The volume includes Scripture spiritual readings primarily quotes from the writings of John Wesley and an essay by the author This material is woven into a pattern for daily prayer and reflection This devotional experience will lead readers to live with Wesley s ideas and spirit as a window or vehicle for reaching God Among the 26 themes explored are Scriptural Christianity Life in Christ Reaching Out to the Poor The Means of Grace Holiness of Life Justifying Grace The Ministry of All God s People Sanctifying Grace and God s Love and Ours While intended for devotional use by both clergy and laity pastors will also find this a helpful resource for sermon preparation This wonderful guide to deeper spirituality will become a cherished companion for all who seek to grow in faith and knowledge of God **The Eucharist as Offering of Firstfruits** Lawrence Francis Ligocki,2017-06-04 One of the difficulties for Protestant Evangelical Pentecostal and other Christians is how to understand the Eucharist as sacrifice offering and oblation A return to ancient Jewish and Christian sources has uncovered the category of the offering of firstfruits This is found in a lesser degree among Second Temple Judaism and to a greater degree in early

Christian literature beginning with the New Testament itself This has brought renewed interest in understanding the Eucharist not only in the context of the Feast of Passover but also in light of the Feast of Pentecost and the offering of firstfruits and within the context of the Zebach t d that is the sacrifice of praise and thanksgiving This has strong implications for a theological liturgical spiritual and practical awakening in understanding the Eucharist as Sacrifice In the Eucharist the Church offers the firstfruits of creation Christ and also herself to the Father in the Holy Spirit Each member is called to actively participate in the Eucharistic sacrifice through which they themselves become a Holy and Living sacrifice for the life of the world This has implications for a renewed Eucharistic spirituality and worship the New Evangelization and new works of mercy

Holy Communion Kenneth M. Loyer, 2014-12-16 Experience God in the here and now through Communion This book explores how celebrating the presence of God With Us through Holy Communion nourishes our souls refreshes our sense of community and equips us for mission in Christ's name Yet many Christians do not understand Communion or see it only as an empty ritual Because of that low worship attendance or enthusiasm commonly accompanies Communion Sundays leaving churches feeling spiritually depleted This book provides insights and practical suggestions for giving this sacrament a more prominent role not just in church life but in the Christian formation of individuals For small groups Sunday school classes and as a preaching resource *Holy Communion Celebrating God with Us* by Kenneth M Loyer and general editor William H Willimon is suitable for a four week study and includes discussion questions at the end of each chapter The Belief Matters series assists pastors and clergy in explaining fundamental elements of the church and its worship to congregations *Holy Communion* is the second in the series and follows *Incarnation* by William H Willimon

Like a Mighty Army David W Taylor, 2015-02-26 In 1937 prior to the 1948 inauguration of the World Council of Churches Karl Barth challenged the churches to engage in real strict sober genuine theology in order that the unity of the church might be visibly realized At that time The Salvation Army didn't aspire to become formally known as a church even though it was a founding member of the WCC Today it is globally known as a social welfare organization concerned especially to serve the needs of those who find themselves at the margins of society Less well known is that seventy years after Barth's challenge it has made its peace with the view that it is a church denomination Accepting Barth's challenge to the churches and in dialogue with his own ecumenical ecclesiology the concept of the church as an Army is interrogated in service to The Salvation Army's developing understanding of its identity and to the visible unity of God's church
