Women and Wars Carol Cohn,2013-09-04 Where are the women In traditional historical and scholarly accounts of the

making and fighting of wars women are often nowhere to be seen With few exceptions war stories are told as if men were the only ones who plan fight are injured by and negotiate ends to wars As the pages of this book tell though those accounts are far from complete Women can be found at every turn in the gendered phenomena of war Women have participated in the making fighting and concluding of wars throughout history and their participation is only increasing at the turn of the 21st century Women experience war in multiple ways as soldiers as fighters as civilians as caregivers as sex workers as sexual slaves refugees and internally displaced persons as anti war activists as community peace builders and more This book at once provides a glimpse into where women are in war and gives readers the tools to understand women's told and untold war experiences in the greater context of the gendered nature of global social and political life **Truth or Dare** Jacqueline

H. Lawrence in Italy and England** George Donaldson,Mara Kalnins,1999-02-12 The critical essays in this

volume by leading authorities on D H Lawrence focus on the importance of Italy and England in Lawrence's work and life They span the years of his creative maturity from 1915 which witnessed the important visit to Cambridge the revisions to *Twilight in Italy* and the banning of *The Rainbow* to 1926 the year in which he began research for the pieces that became *Etruscan Places* Capitalism, Crime and Media in the 21st Century Neil Ewen,Alan Grattan,Marcus Leaning,Paul Manning,2021-04-15 This edited collection from leading scholars in the fields of media communications cultural studies and a number of aligned areas looks to the intersection of capitalism crime and the media The text is founded on the principles of cultural criminology that how we determine and understand crime lies in the social world and that the determination of crime and its mediation in popular culture have a political basis The book consists of eleven chapters and is divided into three sections Section one considers the intersection of crime and capitalism in a range of contemporary cultural texts Section two examines how various power systems influence the operation of the media in its role of reporting crime and holding the powerful to account Section three considers how texts in a variety of formats are used to conduct politics communicate politics and enact political decision making *A Girl Named Mary* Juliet Wilbor Tompkins,1918 **Barrie, Hook, and Peter Pan** Elisa T. Di Biase,Alfonso Muñoz Corcuera,2012-11-15 Peter Pan was born over a century ago There is something doubly contradictory in this phrase that although true is also the reason why this book has been released We are talking

about the boy who will never grow up and the fact that he is celebrating his hundredth birthday should provoke some surprise. At the same time he is such a powerful icon that it is also true that he seems to have been there floating in our culture reappearing in its images since time immemorial much farther back than the early twentieth century. This book shows that although he considered dying to be an awfully big adventure Peter Pan is on his one hundredth birthday more alive than ever. And our prediction is that he will accompany our culture as long as it survives. Like all great myths Peter will continue bursting through the window of our texts leading us to other worlds so that when we least expect it we will hear his cry emanate from a dark ocean. This book in a sincere tribute intends to be both a compilation and a precedent by inspiring a deeper look into its image we hope to influence the life of this character so dear and yet so mysterious and seductive. Peter Pan ha cumplido un siglo de vida. Hay algo doblemente contradictorio en esta frase que por lo demás es cierta y es el motivo por el cual este libro ha visto la luz. Estamos hablando del niño que nunca crece y el hecho de que celebre su cumpleaños número cien puede provocarnos cierta extrañeza. Por otro lado se trata de un ícono tan poderoso que también es verdad que parece haber estado ahí flotando en nuestra cultura resurgiendo en sus imágenes desde tiempos inmemoriales mucho más lejanos que los albores del siglo XX. Este libro muestra que a pesar de que considere que morir podría resultar una aventura extraordinaria Peter Pan está a sus cien años más vivo que nunca. Y el panorama pinta en efecto para una vida que acompaña a nuestra cultura mientras esta sobreviva. Igual que sucede con todos los grandes mitos Peter sigue irrumpiendo a través de la ventana de nuestros textos guiándonos a otros mundos de tal manera que cuando menos lo esperemos escucharemos su grito emanar de un rincón oscuro. Este libro en un sincero homenaje pretende ser compilación y precedente y mediante la provocación mediante la motivación de la profundización en su figura incidir en la trayectoria de la vida de este personaje tan entrañable y a la vez tan misterioso y seductor.
