Lost In My Own Backyard:

Lost in My Own Backyard Tim Cahill, 2004-06-08 Let's get lost together *Lost in My Own Backyard* brings acclaimed author Tim Cahill together with one of his and America's favorite destinations Yellowstone the world's first national park Cahill has been puttering around in the park for a quarter of a century slowly covering its vast scope and exploring its remote backwoods So does this mean that he knows what he's doing Hardly I live fifty miles from the park says Cahill but proximity does not guarantee competence I've spent entire afternoons not knowing exactly where I was which is to say I was lost in my own backyard Cahill stumbles from glacier to geyser encounters wildlife some of it like bison weighing in the neighborhood of a ton muses on the microbiology of thermal pools gets spooked in the mysterious Hoodoos sees moonbows arcing across waterfalls at midnight and generally has a fine old time walking several hundred miles while contemplating the concept and value of wilderness Mostly Cahill says I have resisted the urge to commit philosophy This is difficult to do when you're alone twenty miles from the nearest road and you've just found a grizzly bear track the size of a pizza Divided into three parts The Trails which offers a variety of favorite day hikes In the Backcountry which explores three great backcountry trails very much off the beaten track and A Selected Yellowstone Bookshelf an annotated bibliography of his favorite books on the park this is a hilarious informative and perfect guide for Yellowstone veterans and first timers alike *Lost in My Own Backyard* is adventure writing at its very best

ugly and heartbreaking reflection of a painfully divided country Here Joe Sexton elevates a made for social media tragedy into a kaleidoscopic account of race justice and urban politics The New York Times Book Review masterfully unpacking the whole twisted nearly unbelievable chronicle and explaining which claims were true and which distorted or simply false A book of intense moral weight and integrity The Washington Post The Lost Sons of Omaha involves some of the most pressing issues facing America today including our country s broken criminal justice system the failure to care for the men and women who fight our wars the dangerous spread of misinformation particularly on social media and the urgent need to band together in the collective pursuit of truth fairness and healing
