The Complete Works of Thomas Manton, D.D. Thomas Manton, William G. Harris, 1873

Serenity They Seek , Called to Call Ogochukwu Ofili, 2015-06-17 Called to Call has been written to help remind Christians of their primary purpose and to help reinspire soul winners who are becoming fatigued right in front of the biggest end time harvest of precious souls ever so that they can continue to shod their feet with the preparation of the gospel of peace as they run with Gods vision This book will not only challenge you but it will

also inspire you in the area of evangelism Every chapter is Holy Spirit inspired and every word is Holy Spirit anointed for a maximum impartation of passion for dying souls The central message for all eight chapters of this book is pointing to the fact that if Christians will start dressing up in front of Gods mirror they will start noticing the fact that they have been running the race that is set before them bare footed *The Parables* Brad H. Young,2008-03-01 Fully one third of Jesus words in the Synoptic Gospels occur in parables It could be said that knowing the parables is essential for understanding the person of Christ In this work Brad Young displays his unique perspective as a scholar steeped in both Jewish and Christian studies While parables have timeless messages reinterpretations in new contexts throughout the centuries have distorted the original meanings and undermined the essence of what Jesus intended for his initial listeners Young examines the parables that best illustrate the parallels between the rabbinic and Gospel parables He challenges readers to remember that first century Judaism was not merely the backdrop for Jesus teachings but the very stage from which Jesus delivered the message of the kingdom Jesus ethics and theology can be properly understood only in the light of first century Jewish teachings Young focuses on the historical development and theological significance of parables in both traditions and examines five theological subjects that are dealt with in parables prayer grace reconciliation calling and sovereignty Secondhand Jesus Glenn Packiam,2010-01-01 God has offered us firsthand knowledge of His love His grace and His power Yet so often we too easily settle for someone else s descriptions the Cliff notes from another s spiritual journey We are content for God experts to do the heavy lifting and then give us the bottom line And like any secondhand information after enough times through the grapevine the truth about God deteriorates and crumbs of rumor are all that remain But when life derails and things don t go as we had planned our thin view of God is challenged In those critical moments we can choose to walk away from God or to let our questions lead us home When we choose to wrestle with God to engage Him for ourselves we like Jacob and Job and David will see rumors die and revelation come alive It s time to hear the magnificent Divine Invitation It s time to take God up on His offer and embrace the mystery and majesty of knowing Him for ourselves *The Treasury of David* Spurgeon,1990 Charles Haddon Spurgeon the Prince of Preachers composed and polished *The Treasury of David* over the span of nearly half his ministry This incomparable commentary and omnibus on the Psalms has been prized by Christians ever since Spurgeon s own commentary on every verse of the Psalms is extremely insightful and by itself it quite rich In *The Treasury of David* you will also find a wealth of illuminating extracts and quotes from hundreds of commentators contemporaries of Spurgeon as well as the great Puritan expositors of the seventeenth and eighteenth centuries Homiletical hints on almost every verse concise sermon outlines provocative seed thoughts as well as useful bibliographies and an index of authors offer practical help for preaching and teaching Whether you are teaching on the Psalms studying them for personal devotions or simply intrigued by the writings of Spurgeon you ll enjoy this splendid classic Charles Haddon Spurgeon served for thirty years as preacher and pastor of London s six thousand seat Metropolitan Tabernacle which his growing congregation opened in 1861

His writings including thousands of sermons are still popular with pastors and devotional readers *Seek Ye Whore and Other Stories* Yvette Tan, 2023-01-22 Yvette Tan one of the Philippines most celebrated horror writers returns with her second short story collection Two friends adapt in a zombie infested Angeles City At Luneta Park a girl and a young tikbalang begin their journey to save the last moon A brothel in Poblacion offers an expecting father pleasures he cannot resist And in the titular story an American unwittingly purchases a mail order bride from the mystical island of Siquijor From stories of youthful charm with supernatural twists to provocative tales of unassuming humans willingly falling prey to creatures with manicured talons *Seek Ye Whore and Other Stories* forms a panoramic view of the Filipino experience sometimes humorous and touching oftentimes dark and forbidding

The Christian year-book: a golden treasury for the young Christian year-book, 1857 **The Baptist pulpit** Baptist pulpit, 1902 *Reflections on the Word of God, for Every Day in the Year* William Ward (Missionary.), 1825 *The Treasury of David - Containing an Original Exposition of the Book of Psalms* Charles Haddon Spurgeon, 2024-04-10 Reprint of the original first published in 1882

Conceptual Blending in Early Christian Discourse Aleksander Gomola, 2018-03-19 Cognitive linguists and biblical and patristic scholars have recently given more attention to the presence of conceptual blends in early Christian texts yet there has been so far no comprehensive study of the general role of conceptual blending as a generator of novel meanings in early Christianity as a religious system with its own identity This monograph points in that direction and is a cognitive linguistic exploration of pastoral metaphors in a wide range of patristic texts presenting them as variants of THE CHURCH IS A FLOCK network Such metaphors or blends rooted in the Bible were used by Patristic writers to conceptualize a great number of particular notions that were constitutive for the early church including the responsibilities of the clergy and the laity morality and penance church unity baptism and soteriology This study shows how these blends became indispensable building blocks of a new religious system and explains the role of conceptual blending in this process The book is addressed to biblical and patristic scholars interested in a new unifying perspective for various strands of early Christian thought and to cognitive linguists interested in the role of conceptual integration in religious language Produced with the support of the Faculty of Philology Jagiellonian University in Krak w Poland
