Majesty Of Man The Dignity Of Being Human:

The Majesty of Man Ronald Barclay Allen, 1984 Revised and expanded Ronald Allen examines the mystery of man the majesty of man and the mandate for man as set forth in the Bible

The Matrix of Christian Ethics Patrick Nullens, Ronald T. Michener, 2013-12-06 Patrick Nullens and Ronald T Michener seek to revitalize Christian ethics through an integrative approach to classical ethics Their matrix of consequential principle virtue and value ethics provides an alternative to postmodern situation ethics and brings the framework of biblical wisdom to bear on contemporary ethical questions

Liberated Traditionalism Ronald B. Allen, Beverly Allen, 2009-07-01 In the struggle between the sexes Ronald and Beverly Allen are peacemakers With feminists they feel fully the past and present pain the yearning for new freedom and fulfillment But they also trust the Bible the source for all that is oldest and best in male female traditions To open your mind to what really matters in the women's movement the Allens take you everywhere to the incomparable events in Eden and to Paul's perplexing directives in the New Testament to Betty Friedan in the sixties and a different Betty Friedan in the eighties to Sarah and Steinem to Deborah and deBeauvoir to Proverbs 31 and Archie Bunker The result is a call to balance to help you rise from the ruts of injustice and insensitivity and yet stay in the safe confines of God's design

Christian Perspectives on Being Human J. P. Moreland, David M. Ciochi, 2015-01-26 While there is a unity to truth from God's perspective there are nevertheless many different ways of knowing studying and defining that truth Thus the task of integration is the task of relating theology and other disciplines in such a way that one articulates and defends a comprehensive unified Christian worldview Christian Perspectives on Being Human is a vital step in that essential process of integration In this unique anthology colleagues from various departments at Biola University undertake an important multidisciplinary approach to integration J P Moreland and David Ciochi represent philosophy in this discussion Robert Saucy theology Sherwood Lingenfelter anthropology Nancy Duvall and Keith Edwards psychology Walt Russell and Scott Rae New Testament and medical ethics and Klaus Issler Christian education

Derrida Now John W. P. Phillips, 2018-03-15 For more than 30 years and until his death in 2004 Jacques Derrida remained one of the most influential contemporary philosophers It may be difficult to evaluate what forms his legacy will take in the future but Derrida Now provides some provocative suggestions Derrida's often controversial early reception was based on readings of his complex works published in journals and collected in books More recently attention has tended to focus on his later work which grew out of the seminars that he presented each year in France and the US The full texts of these seminars are now the subject of a major publication project to be produced over the next ten years Derrida Now presents contemporary articles based on or around the study of Derrida It provides a critical introduction to Derrida's complex and controversial thought offers careful analysis of some of his most important concepts and includes essays that address the major strands of his thought Derrida's influence reached not only

into philosophy but also into other fields concerned with literature politics visual art law ecology psychoanalysis gender and sexuality and this book will appeal to readers in all these disciplines Contributors include Peggy Kamuf Geoff Bennington Nicholas Royle Roy Sellars Graham Allen and Irving Goh The Tragedy of Almightyness Sybe Schaap, 2016-01-06 The Tragedy of Almightyness encircles the theme of human yearning for omnipotence as expressed in religion and various ideologies The central question revolves around the matter of what in pursuing such an extreme power of the will man seeks to achieve While exploring the question a thought provoking link is made between religion and atheism between the Biblical longing for God's promise and the Marxist appeal for man to realize that same promise Omnipotence must vouch for the fulfilling of the promise for justice and for man's dream of redemption However that is not where it ends The longing for salvation turns out to have a dangerous reverse side to it because it encourages a turning away from the actual world and the all pervading evil Omnipotence also facilitates the avenging of such evil History has shown what this kind of yearning can lead to The book demonstrates how modernity translates Biblical longings into ideologically justified revengefulness The description of this process leads to a plea for renewed ethical purpose in life It is a challenge that also extends to religion Hence the reason that it is necessary to depart from the idea of omnipotence *The Lonely Man of Faith* Joseph B. Soloveitchik, 2006-05-16 Joseph B Soloveitchik the rabbi known as The Rav by his followers worldwide was a leading authority on the meaning of Jewish law and prominent force in building bridges between traditional Orthodox Judaism and the modern world In *The Lonely Man of Faith* a soaring eloquent essay first published in *Tradition* magazine in 1965 Soloveitchik investigates the essential loneliness of the person of faith in our narcissistic materially oriented utilitarian society In this modern classic Soloveitchik uses the story of Adam and Eve as a springboard interweaving insights from such important Western philosophers as Kierkegaard and Kant with innovative readings of Genesis to provide guidance for the faithful in today's world He explains prayer as the harbinger of moral reformation and discusses with empathy and understanding the despair and exasperation of individuals who seek personal redemption through direct knowledge of a God who seems remote and unapproachable He shows that while the faithful may become members of a religious community their true home is the abode of loneliness In a moving personal testimony Soloveitchik demonstrates a deep seated commitment intellectual courage and integrity to which people of all religions will respond **The Journal of the American Scientific Affiliation** American Scientific Affiliation, 1984
