Major Battles Of Alexanders Asian Campaign

David Grant

Major Battles Of Alexanders Asian Campaign:

Major Battles of Alexander's Asian Campaign Arrian, 2004-06-01 The remaining multitude of Darius's light armed and heavy armed infantry was marshalled by nations to an unserviceable depth and placed behind the Grecian mercenaries and the Persian army arranged in phalanx The whole of the army with Darius was said to number about 600 000 fighting men

Greek and Macedonian Land Battles of the 4th Century B.C. Fred Eugene Ray, Jr., 2012-09-28 With its mixture of famous battles and storied commanders warfare in 4th century B C Greece has long held a fascination for military enthusiasts and the general public alike Histories biographies and popular culture have turned the exploits of noted generals like Xenophon and Iphicrates of Athens Epaminondas of Thebes and the father son team of Philip II and Alexander the Great of Macedonia into the stuff of legend Drawing from ancient accounts along with suitable analogs this detailed work offers meticulous reconstructions of 187 of the 4th century's most significant land engagements considering tactical patterns evolving trends and the lasting impact of the era's most influential military minds By separating myth from reality these recreations provide incredible insight into past ways of war that continue to influence the course of combat today Brill's Companion to the Campaigns of Philip II and Alexander the Great, 2024-12-23 This Companion whose contributions come from an outstanding array of experts deals exclusively with the military campaigns of Philip II and his son Alexander the Great and the forces that fought in them In addition to discussions of the strategy and tactics of the two commanders the Companion examines those elements that went into the determination of these strategies and tactics Chapters will be devoted to the logistics of these campaigns military recruitment and training the care of diseased and injured soldiers military organization and equipment and much more While no study can ever be truly complete this Companion comes far closer than any such previous attempt

The Visual Legacy of Alexander the Great from the Renaissance to the Age of Revolution Víctor

Mínguez, Inmaculada Rodríguez-Moya, 2023-12-01 This is an analysis of the diverse facets of Alexander the Great's image from the Renaissance era through the Baroque into the nineteenth century Perceived as the first sovereign ruler of the world for centuries Alexander became an exemplar for the most ambitious kings and emperors This cultural phenomenon flourished above all in the Renaissance while extending into the nineteenth century Early modern monarchs' identification with Alexander associated them with ideas of kingly wisdom Yet this admiration waned on occasions Napoleon was Alexander of Macedonia's most ardent critic During the nineteenth century the Macedonian hero was viewed as an individual who won control of the Achaemenid empire but also underwent a progressive moral decline that converted him into a tyrant The book will be of interest to scholars working in art history and iconography **Alexander the Great & Persia** Joseph Stiles, 2022-09-15 Upon his return from India Alexander the Great travelled to the Persian royal city of Pasargadae to pay homage at the tomb of King Cyrus founder of the Achaemenid Persian Empire whom he admired greatly Disgusted to find Cyrus' tomb desecrated and looted the Macedonian king had the tomb guards tortured the Persian provincial governor

executed and the tomb refurbished This episode involving Cyrus tomb serves as one of many case studies in Alexander's relationship with Persia At times Alexander would behave pragmatically sparing his defeated enemies and adopting Persian customs Sisymbria the mother of Persian King Darius III allegedly came to view Alexander as a son and starved herself at the news of his demise On other occasions he did not shy away from destruction famously torching the palace at Persepolis and cruelty earning himself the nickname the accursed This conflicting nature gives Alexander a complex legacy in the Persian world Joseph Stiles explores Alexander the Great's fascinating relationship with his spear won empire disentangling the motives and influences behind his policies and actions as King of Asia

Alexander the Great Waldemar Heckel, Lawrence A. Tritle, 2011-09-19 Alexander the Great A New History combines traditional scholarship with contemporary research to offer an innovative treatment of one of history's most famous figures Written by leading experts in the field Looks at a wide range of diverse topics including Alexander's religious views his entourage during his campaign East his sexuality the influence of his legacy and his representations in art and cinema Discusses Alexander's influence from his impact on his contemporaries to his portrayals in recent Hollywood films A highly informed and enjoyable resource for students and interested general readers

Alexander the Great, a Battle for Truth & Fiction David Grant, 2022-06-02 Most of what we know about Alexander the Great 356-323 BC comes from the pages of much later historians writing 300 years or more after these events But these Roman era writers drew on the accounts of earlier authors who were contemporary with Alexander some of whom took part in the momentous events they described David Grant examines the fragments of these earlier eyewitness testimonies which are preserved as undercurrents in the later works He traces their influence and monopoly of the truth and spotlights their manipulation of events to reveal how the Wars of the Successors shaped the agendas of these writers It becomes clear that Alexander's courtiers were no less ambitious than their king and wanted to showcase their role in the epic conquest of the Persian Empire to enhance their credibility and legitimacy in their own quests for power In particular Grant reveals why reports of the dying king's last wishes conflict and he explains why testimony relegated to romance may house credible grains of truth The author also skillfully explains how manuscripts became further corrupted in their journey from the ancient world to the modern day In summary this work by a recognized expert on the period highlights why legacy of Alexander is built on very shaky foundations

Brill's Companion to the Reception of Alexander the Great, 2018-09-11 Brill's Companion to the Reception of Alexander the Great offers a considerable range of topics of interest to students and academics alike in the long tradition of this subject's significant impact across a sometimes surprising and comprehensive variety of areas Arguably no other historical figure has cast such a long shadow for so long a time Every civilisation touched by the Macedonian Conqueror along with many more that he never imagined has scrambled to own some part of his legacy This volume canvasses a comprehensive array of these receptions beginning from Alexander's own era and journeying up to the present in order to come to grips with the impact left by this

influential but elusive figure **Famous Battles of the Ancient World** Chris McNab,2017-12-15 In the absence of high tech weapons warfare in the ancient world was dominated by military commanders with innovative strategies The strategic thinking of leaders led to some of the most stunning upsets the world has ever seen Today the Battle of Marathon or the conquests of Alexander still hold their rightful place among the most daring victories This book describes the battles leaders and technology that cinched success or ensured defeat **Alexander the Great** Ian Worthington,2012-03-12 This exciting new edition includes a selection of the most significant and representative published articles and chapters about Alexander and covers all the main areas of debate and discussion in Alexander scholarship

Immerse yourself in heartwarming tales of love and emotion with Explore Love with is touching creation, **Major Battles Of Alexanders Asian Campaign** .
