Major British Poets of the Romantic Period William Webster Heath, 1973 Each chapter contains biography and timeline of the writer's life and divides works into poetry and prose British Romanticism and the Jews S. Spector, 2016-04-30 British Romanticism and the Jews explores the mutual influences exerted by the British Christian and British Jewish communities on each other during the period between the Enlightenment and Victorianism The essays in the volume demonstrate how the texts produced by the Jewish Enlightenment provided a significant resource for romantic intellectual revisionism in much the same way that British romanticism provided the cultural basis through which the British Jewish community was able to negotiate between the competing obligations to ethnicity and nationalism **The Columbia Granger's Guide to Poetry Anthologies** William A. Katz, Linda Sternberg Katz, Esther Crain, 1994 Reference guide to poetry anthologies with descriptions and evaluations of each anthology **Race, Slavery and Abolitionism in the Romantic Period - William Blake's 'Little Black Boy'** Uli Dürr, 2012 Seminar paper from the year 2011 in the subject English Language and Literature Studies Literature grade 1.0 University of Würzburg language English abstract This term paper deals with the institution of slavery and the process of its abolition and takes a look at the different reactions in Romantic literature First of all an overview over the historical background will be given showing the economic importance of the slave trade at the end of the 18th century as well as giving an outline of the contemporary major race theories that were underlying its justification The movement for the abolition of slavery will be introduced as well as some of their representatives like Thomas Clarkson or William Cowper Subsequently the main part of the paper will deal with William Blake and his poem Little Black Boy The piece will be taken as an example for 18th century abolitionist literature and will be analysed with the help of secondary literature by Hazard Adams D. G. Gillham David Erdman and Lauren Henry A special focus will be on the poem's religious theme The term paper will end with a conclusion summarizing the interpretations of the before mentioned literary scientists and evaluating the significance of the paper's findings , *The Collected Poems of Miriam Waddington* Miriam Waddington, 2014-05-08 This anthology brings together for the first time the complete published works of Jewish Canadian poet Miriam Waddington and features a rare selection of previously unpublished poems **Romantic Period Writings, 1798-1832** Ian Haywood, 1998 Romantic Period Writings 1798-1832 provides a valuable insight into the condition of Britain in the early part of the nineteenth century It includes original documents from a range of disciplines and discourses Each section includes a scholarly introduction select bibliography and annotations Among the material assembled in the anthology are writings by previously neglected or underrepresented women working class men black radicals and conservative and evangelical polemicists as well as several unfamiliar texts by canonical writers The writings are organised into sections on Radical Journalism Political Economy Atheism Nation and State Race and Empire Gender Literary Institutions **Romanticism, Self-Canonization, and the Business of Poetry** Michael Gamer, 2017-02-17 This is the first

book to examine how Romantic writers transformed poetic collections to reach new audiences In a series of case studies Michael Gamer shows Romantic poets to be fundamentally social authors working closely with booksellers intimately involved in literary production and resolutely concerned with current readers even as they presented themselves as disinterested artists writing for posterity Exploding the myth of Romantic poets as naive unworldly or unconcerned with the practical aspects of literary production this study shows them instead to be engaged with intellectual property profit and loss and the power of reprinting to reshape literary reputation Gamer offers a fresh perspective on how we think about poetic revision placing it between aesthetic and economic registers and foregrounding the centrality of poetic collections rather than individual poems to the construction of literary careers

Courtemanche, 2011-04-12 The invisible hand Adam Smith's metaphor for the morality of capitalism is explored in this text as being far more subtle and intricate than is usually understood with many British realist fiction writers Austen Dickens Gaskell Eliot having absorbed his model of ironic causality in complex societies and turned it to their own purposes **Catalogue** United States Naval Academy, 1975 *Anthologies of British Poetry* Barbara Korte, Ralf Schneider, Stefanie Lethbridge, 2000 From Tottel's Miscellany 1557 to the last twentieth century Oxford Book of English Verse 1999 anthologies have been a prime institution for the preservation and mediation of poetry The importance of anthologies for creating and re-creating the canon of English poetry for introducing new programmes of poetry as a record of changing poetic fashions audience tastes and reading practices or as a profitable literary commodity has often been asserted Despite its impact however the poetry anthology in itself has attracted surprisingly little critical interest in Britain or elsewhere in the English speaking world This volume is the first publication to explore the largely unmapped field of poetry anthologies in Britain Essays written from a wide range of perspectives in literary and cultural studies and the point of view of poets editors publishers and cultural institutions aim to do justice to the typological functional and historical variety with which this form of publication has manifested itself from early modern print culture to the postmodern age of the world wide web Annapolis, the United States Naval Academy Catalog United States Naval Academy, 1973
