Anselm of

Canterbury: The Major Works St. Anselm, 1998-09-10 For I do not seek to understand so that I may believe but I believe so that I may understand For I believe this also that unless I believe I shall not understand Does God exist Can we know anything about God's nature Have we any reason to think that the Christian religion is true What is truth anyway Do human beings have freedom of choice Can they have such freedom in a world created by God These questions and others were ones which Anselm of Canterbury c 1033-1109 took very seriously He was utterly convinced of the truth of the Christian religion but he was also determined to try to make sense of his Christian faith Recognizing that the Christian God is incomprehensible he also believed that Christianity is not simply something to be swallowed with mouth open and eyes shut For Anselm the doctrines of Christianity are an invitation to question to think and to learn Anselm is studied today because his rigour of thought and clarity of writing place him among the greatest of theologians and philosophers This translation provides readers with their first opportunity to read all of his most important works within the covers of a single volume ABOUT THE SERIES For over 100 years Oxford World's Classics has made available the widest range of literature from around the globe Each affordable volume reflects Oxford's commitment to scholarship providing the most accurate text plus a wealth of other valuable features including expert introductions by leading authorities helpful notes to clarify the text up to date bibliographies for further study and much more
