Philosophy and Rabbinic Culture Gregg Stern,2013-09-05 Philosophy and Rabbinic Culture is a study of the great and curiously underappreciated engagement of a Medieval European Jewish community with the philosophic tradition This lucid description of the Languedocian Jewish community s multigenerational cultivation of and acculturation to scientific and philosophic teachings into Judaism fulfils a major desideratum in Jewish cultural history In the first detailed account of this long forgotten Jewish community and its cultural ideal the author gives an expansive reappraisal of the role of the philosophic interpretation in rabbinic culture and medieval Judaism Looking at how the cultural ideal of Languedocian Jewry continued to develop and flourish throughout the thirteenth and fourteenth centuries with particular reference to the literary style and religious teaching of the great Talmudist Menahem ha Meiri Stern explores issues such as Meiri s theory of civilized religions including Christianity and Islam controversy over philosophy and philosophic allegory in Languedoc and Catalonia and the cultural significance of the medical use of astrological images This book will be of great interest to scholars and students of Religion of Judaism in particular and of Philosophy History and Medieval Europe as well as those interested in Jewish Christian relations **Culture, Class, Distinction** Tony Bennett, Mike Savage, Elizabeth Bortolaia Silva, Alan Warde, Modesto Gayo-Cal, David Wright, 2009-01-21 Choice Recommended Title February 2010 Culture Class Distinction is major contribution to international debates regarding the role of cultural capital in relation to modern forms of inequality Drawing on a national study of the organisation of cultural practices in contemporary Britain the authors review Bourdieu s

classic study of the relationships between culture and class in the light of subsequent debates In doing so they re appraise the relationships between class gender and ethnicity music film television literary and arts consumption the organisation of sporting and culinary practices and practices of bodily and self maintenance As the most comprehensive account to date of the varied interpretations of cultural capital that have been developed in the wake of Bourdieu s work *Culture Class*

Distinction offers the first systematic assessment of the relationships between cultural practice and the social divisions of class gender and ethnicity in contemporary Britain It is essential reading for anyone interested in the relationships between culture and society **Textiles as National Heritage: Identities, Politics and Material Culture** Gabriele Mentges,Lola

Shamukhitdinova,2017 The edited volume discusses the role of textile heritage in relation to the dynamics of nation building cultural identity politics economy and the globalization of markets It was sparked by a research project investigating the role of textiles textile design and contemporary fashion in the post Soviet societies of Central Asia and also includes perspectives on similar developments in Algeria and Peru in order to question dichotomous narrations of modernity relations between textile cultures and heritage building cultural property and the concept of cultural heritage Thus this book intends to stimulate the ongoing debate about textile culture as national heritage or as means of nation branding *The Middle Ages*
