Make Takes:

Destroy Fear and Take Massive Risks: How to Move Fast, Make Bold Moves, and Win Big Silas Mary, 2025-02-26 Fear is often the greatest barrier to taking bold action but it doesn't have to be. *Destroy Fear and Take Massive Risks* teaches you how to confront and conquer your fears so that you can make big bold moves that lead to extraordinary success. This book shows you how to build the courage to take calculated risks, move fast, and embrace opportunities that others might shy away from. By learning how to control your fear, develop mental resilience, and act decisively, you will position yourself to achieve bigger, more meaningful results. Whether you're an entrepreneur, investor, or anyone looking to take your life to the next level, this book will give you the tools to overcome fear, take massive action, and win big. **\$3 Make-and-Take Meals** Ellen Brown, 2010-03-16 It is not your imagination playing tricks on you if you are in sticker shock in the supermarket. Check out lane food prices: they are skyrocketing. And not only is food more expensive than ever, but we all have less time than ever before. The solution to the problem is 3 Low Sodium Meals. This collection of 250 plus recipes has main course entrees that are less than 3 a serving to prepare and all are low in salt. That's less than the cost of a decent size burger at a fast food drive through. And all can be prepared in less time than it takes to have a pizza delivered. **Make Peace and Take Victory** Patricia Ronan, 2012-01-01 This corpus based study examines the use of support verb constructions in Old English and Old Irish. It determines in how far these constructions can be seen as a means to offer semantic specification of existing verbal expressions. The study further investigates whether support verb constructions may be employed to create periphrastic verbal expressions to denote concepts for which no simple verb exists in the language at that stage. This latter situation may particularly arise as a consequence of contact with new cultural concepts. The approach of the study is both qualitative and quantitative. It compares the use of the Old English constructions to corresponding Old Irish structures as well as to other language varieties, especially Present Day English, which has a considerably more analytic morphological structure than either of the two medieval languages. *Cool Lunches to Make & Take: Easy Recipes for Kids to Cook* Lisa Wagner, 2007-01-01 This book contains delicious and nutritious recipes perfect for lunches. The recipes include sandwiches, egg salad, tuna salad, fruit, cheese, and meat kabobs, trail mix, and pasta salad. Also included in this title are full color photos of tools and ingredients, explanations of common cooking terms, step by step instructions, tips, and variations, a glossary, and an index. *If I Could Take It, I Will Make It* Edwin Ferraro, 2020-01-20 I know that to see the truth in myself and the things to work on myself are the most important. The sooner we see the things, the better person we can become. This is to show how we can all come through the tough times. We battle with a smile. Even though we might not see it right away, we all have this inside of ourselves. I try to show with my personality and smiles to others, even on the tough days, to try and help people through their tough times, to have the self awareness to constantly try and be the best version of myself possible. It's about who we become and what we can give back. **Take Charge of Bipolar Disorder** Julie A. Fast, John

Williams-Koroma,2019-11-19 The subtitle of this book is Pick up the Mission Then Drop the Mic This book walks you through the life of Christ with a primary focus on the book of Luke in the Bible It provides wisdom from Jesus life as He lived out Our Father s business Although this book is divided by topic it largely maintains the chronology of events as they are captured in the book of Luke The inspiration for this book came as result of many personal experiences Being about our Father s business is bigger than any title in life Professionally I am an entrepreneur an adjunct instructor an attorney a board director and officer and many other titles Personally I am a wife a daughter a sister a friend a poet an athlete We all have many titles but above all of these there is a business a mission we have each been assigned to carry out This book is written to remind and encourage you and me to pick up the mission then drop the mic Picking up the mission refers to bear ing your cross and com ing after Christ Dropping the mic refers to when a speaker or artist is on a stage and says something so profound and final leaving nothing else to be said afterwards This is how our lives should be lived with such profundity that when our time on this earth is over we can say I have fought a good fight I have finished my course I have kept the faith our physical death being our drop the mic moment The specific challenges we face in deciding to answer God s call on our lives will be different for each of us Some of the most difficult decisions will be choices between good our plans and best God s plans for us It is my prayer that you read this book and pick up the mission so that at the end of your life you can then drop the mic Click here to access the author s website
