Beauty to Die for Judi Vance, 1999 Judi Vance has written one of the most important and informative consumer books on cosmetics today. It is a book I will use often as a reference and shopping guide. David Steinman, Author of *Diet For A Poisoned Planet* and co-author of *The Safe Shoppers Bible*. Concise and powerful. Rowan Hamilton, Cosmetic Scientist and Herbalist. If you use any cosmetics, you may be more at risk than you could imagine. *Beauty to Die For* is shocking, thought provoking and rock solid in its research. This landmark book reveals the deathtraps in the cosmetics that we unwittingly use in our daily lives. It details the devastating toll that modern industry and government knowingly exact on the health of men, women and children and may sound the death knell for certain cosmetic industry practices. This book is a practical guide, an interactive tool that teaches consumers how to shop safely and wisely. It translates the technical jargon into language that everyone can understand. It was written to help you identify the dangers in products you take for granted.
