Make My Day:

Make My Day J. Hoberman, 2019-07-02 Named a Best Book of the Year by Financial Times Singular stylish and slightly intoxicating in its scope Rolling Stone Acclaimed media critic J Hoberman s masterful and majestic exploration of the Reagan years as seen through the unforgettable movies of the era The third book in a brilliant and ambitious trilogy celebrated cultural and film critic J Hoberman s *Make My Day* is a major new work of film and pop culture history In it he chronicles the Reagan years from the waning days of the Watergate scandal when disaster films like *Earthquake* ruled the box office to the nostalgia of feel good movies like *Rocky* and *Star Wars* and the delirium of the 1984 presidential campaign and beyond Bookended by the Bicentennial celebrations and the Iran Contra affair the period of Reagan s ascendancy brought such movie events as *Jaws* *Apocalypse Now* *Blade Runner* *Ghostbusters* *Blue Velvet* and *Back to the Future* as well as the birth of MTV the Strategic Defense Initiative and the Second Cold War An exploration of the synergy between American politics and popular culture *Make My Day* is the concluding volume of Hoberman s *Found Illusions* trilogy the first volume *The Dream Life* was described by Slate s David Edelstein as one of the most vital cultural histories I ve ever read Film Comment called the second *An Army of Phantoms* utterly compulsive reading Reagan a supporting player in Hoberman s previous volumes here takes center stage as the peer of Indiana Jones and John Rambo the embodiment of a Hollywood that even then no longer existed

My Revelations of Love Fabian D. Falls, 2007-10 As indicated in the title this is a study in the historical evolution of the major faiths of mankind and their religious beliefs It is not a study to prove who is right and who is wrong As such it certainly has a different approach to the subject The layout of the subject may not depict the usual traditional approach observed in religious works but it certainly preserves its true historical background This work therefore is mainly historical in its essence The subject matter of this discourse is not only interesting but it is also informative and educational When we talk about the history of mankind we also talk about the origin and the development of their religious beliefs their culture and the social values of their life Theology a critical study of religious ideas a dogmatic approach has often in past

been a source of divisions among the people of diverse beliefs and cultures This planet would have been a much better place to live in for all human beings if man had learned to appreciate and respect the religious and cultural beliefs of the people different than those in which he had been brought up Rather than finding differences and keeping alive hatred and dislike for other faiths and beliefs he would have done better if he had understood the common purpose that exists behind all faiths Much has been said and written about the conduct of people who in the name of religion have destabilized the world peace The dangers of such religious polemics are evident in many areas of our planet In the pluralistic world of today no one faith has the monopoly of the Truth People are Christians Jews Hindus Buddhists or Muslims out of their sincere convictions Endowed with the gift of intellect and historical inheritance people have chosen different paths and ways in their search for the Truth We all eat the food grown in the same soil drink water from the same springs and breathe the air from the same atmosphere Even while holding to our own religious views there is no reason why we can not respect and appreciate the beliefs of the others An old Japanese saying goes like this There are many paths at the foot of a mountain but the view of the moon is the same at the top I would consider myself rewarded if through this work I can arouse enough interest in the minds of my readers to know and appreciate the fundamental teachings of all religions namely the understanding of God the Creator of this Universe and Man's relationship with Him
