All for God's Glory Louis B. Weeks, 2008-12-08 Nobody likes scutwork the unwanted dregs of the working day Pastors are no exception to this often dreading the endless e mails and phone calls having no heart for putting together one more bulletin or attending one more meeting all of which feels like so much distraction from the true pastoral work to which they have been called Louis Weeks challenges that paradigm and lifts up scutwork as an integral part of pastoral care and leadership How can we administer congregations in ways most likely to increase the measure of pastoral

care How can our service in menial and glorious work alike build up the Body of Christ How can all the work and worship in this congregation help God's work in the world Preparation organization and other administrative duties are crucial for effective programs and mission in a congregation as elsewhere in society Preaching teaching and pastoral care three indispensable parts of congregational life all depend upon competent congregational administration It is through focused attention to the details of scutwork that pastors are able to build solid relationships within the congregation and without the trust that comes from these relationships no true pastoral care and leadership is possible All for God's Glory explores ways in which churches are engaged and can engage in practices of administration that deepen care and build a healthy congregational community Church & Synagogue Libraries, 2005 Christian Education Leadership Judy Morris D Min, Barbara Newman M A, Doug Powell Ph D, 2012 Book Description The collective work of twenty Christian leaders known for their expertise in Christian education this book is an up to date comprehensive resource on Christian education with the emphasis on making disciples as Jesus instructed This volume addresses spiritual formation for all age groups and gives guidance on how to develop an effective church discipleship ministry The book shows church leaders how to provide for the spiritual formation of all age groups including people with special needs who are often neglected The aim of the book is to forge a strong connection between what happens on Sunday and how people live every day The goal is discipleship stressing how to develop a congregation that is on mission rather than merely a group of people who convene on Sundays The book contains a strong emphasis on missions as an integral part of church identity and activity Church leadership must provide ways for growing and encouraging disciples in being on a mission for Christ At the core of the book is Jesus' command to his disciples including church leaders today Go and make disciples of all the nations baptizing them in the name of the Father and the Son and the Holy Spirit teaching them to observe all that I commanded you Matthew 28:19-20 NASB As we enter the third millennia of the Christian church church leaders must learn and practice ways to truly obey Jesus' command This comprehensive book provides guidance and inspiration for doing that The Christian leaders who authored this resource also point to the urgent need to equip and involve lay people in all the work of the church The authors call for church leaders to involve church members in planning decision making and action rather than to promote on purpose or by default a spectator mentality Citing Ephesians 4:11-12 the authors emphasize that a church's staff members exist to equip and deploy all believers in the mission and ministry of Christ The book stresses guiding Christian leaders to move their church from a school with pews mentality to a place that heeds the biblical call to develop disciples Instead of just maintaining members church leaders must focus on making disciples in order for their congregation to be on a mission as a vibrant force for change in their community and around the world WHO NEEDS THIS BOOK University and seminary professors will find this volume a good choice for a textbook for preparing ministers for church ministry It will also be a valuable tool for pastors general staff leaders and practitioners for the various age group staff and key volunteer leaders in the local churches

Cropsey, 2013-01-01 The Book of Discipline sets forth the plan by which we United Methodists govern ourselves It reflects our understanding of the Church and of what is expected of its laity and clergy as they seek to be effective witnesses in the world as a part of the whole body of Christ The Discipline includes our church Constitution our history our doctrinal standards and our mission to make disciples of Jesus Christ as well as practical processes through which our congregations connect and support each other to reach the world **The Disciple-Making Church** Bill Hull, 2010-06-15 A classic in Christian discipleship for twenty years this updated edition shows why disciple making should be the focus of every believer's life *Productive Leadership* Roy L. Spore, 2021-10-07 Productive Leadership is a celebration of the small churches of America and the lasting legacy they have provided for the Christian landscape Combining attributes of proven leadership with stories from the New Testament it provides a practical guide for developing and maintaining fruitful ministry and is written for lay and clergy leaders in these small to mid size churches Utilizing experiences from actual ministry situations it uses both successes and failures to learn how to work together taking the reader from assessing the cultural values of a church through discerning God's vision for ministry and working together in leadership Complete with step by step exercises for individuals councils and committees the various chapters form a map for developing effective ministry in what often seems to be a futile mission field Readers are invited to examine leadership qualities by identifying their own characteristics and competencies and how they are best used in working within the ministry of their local church Well suited for individual readers it is also a valuable resource for church councils to discover how they can best work together toward the fulfillment of their mission making the most productive use of their time and resources Anyone interested in the future ministry of small churches will find this book to be a valuable resource **Mission of the Church** Jerome Boone, Jerald Daffe, William Effler, Henry Smith, 2018-05-30 What is the mission of the corporate church What is the mission of local churches regardless of denominations What is the reason for the existence of the local church These three questions not only deserve consideration by leadership but also need to be understood by the entire membership to enable productive kingdom work It is so easy for a congregation to develop programs and activities based on what other groups are doing or on what are the perceived needs of the moment These do have value however they tend to be based on our human concepts rather than the directives of Scripture Terry Cross Dean of the School of Religion at Lee University describes this book as follows Another book on the church This one is different Thirteen seasoned professors with some 400 years of combined ministerial experience engage various aspects of the mission of the church Much like the pulse that beats from a strong heart the idea of partnering with God's mission as transformed participants in God's work reappears throughout the chapters While the focus of attention is different for each author the theme beats the same pulse throughout the mission of God is the heart of God and must be the heart of the church With additional contributions from Bob Bayles Terry Cross Rolando Cuellar Tom
