Edmiston, 2007-10-08 Through compelling examples Brian Edmiston presents the case for why and how adults should play with young children to create with them a workshop for life In a chapter on mythic play Edmiston confronts adult discomfort over children's play with pretend weapons as he encourages adults both to support children's desires to experience in imagination the limits of life and death and to travel with children on their transformational journeys into unknown territory This book provides researchers and students with a sound theoretical framework for re conceptualising significant aspects of pretend play in early childhood Its many practical illustrations make this a compelling and provocative read for any student taking courses in Early Childhood Studies *The Psychotronic Video Guide To Film* Michael Weldon, 1996 The bible of B movies is back and better than ever From Abby to Zontar this book covers more than 9 000 amazing movies from the turn of the century right up to today's Golden Age of Video all described with Michael Weldon's dry wit More than 450 rare and wonderful illustrations round out this treasure trove of cinematic lore an essential reference for every bad film fan *Words on Cassette*, 2002 R R Bowker Publishing, 2002 *To Be a Friend Is Fatal* Kirk W.
