the number of times a node is visited. The algorithm is based on the fact that the number of times a node is visited is equal to the number of times it is visited by its parent plus the number of times it is visited by its children.

Answer: **S. It seems too small.**

Making Manhood

Stephan M. Wilson

Making Manhood:

Making Manhood Anne S. Lombard, 2003 At its core was a suspicion of emotional attachments between men and women Boys were taken under their father's wing from a young age and taught the virtues of reason responsibility and maturity Intimate bonds with mothers were discouraged as were individual expression pride and play The mature man who moderated his passions and contributed to his family and community was admired in sharp contrast to the young adventurous and aggressive hero who would emerge after the American Revolution and embody our modern image of masculinity BOOK JACKET

Manhood Manifesto Mike Shereck, 2021-07-20 Manhood Manifesto is a book about men their leadership and the condition of masculinity today We live in the greatest country in the world the United States of America We also live in one of the most dynamic periods of time in history This book is about the opportunity we have as Americans especially men This book calls forth the character and skills of American men To whom much is given much is expected We live in challenging times and American men are more than capable of meeting those challenges To meet those challenges though there needs to be a willingness and acceptance of the responsibilities required This book looks at where we are and how we got here creating a pathway in which to engage This process is intended to restore the trust affinity and community that has been pushed to its limits in the most recent months and years The book does so in a way that is somewhat irreverent yet respectful serious yet fun and challenging yet empowering Mike Shereck has a bias toward men simply because he is one If change must occur it will begin with him and those like and near him In Mike's view for society's problems to be solved first men must own it From the position of ownership we can now address it That is what is done in this book in a direct bold courageous sometimes shocking always heartfelt and humorous way

The Making of the New Negro Anna Pochmara, 2011 The Making of the New Negro examines black masculinity in the period of the New Negro Harlem Renaissance which for many decades did not attract a lot of scholarly attention until in the 1990s many scholars discovered how complex significant and fascinating it was Using African American published texts American archives and unpublished writings and contemporaneous European discourses this book focuses both on the canonical figures of the New Negro Movement and African American culture such as W E B Du Bois Booker T Washington Alain Locke and Richard Wright and on writers who have not received as much scholarly attention despite their significance for the movement such as Wallace Thurman Its perspective combines gender sexuality and race studies with a thorough literary analysis and historicist investigation an approach that has not been extensively applied to analyze the New Negro Renaissance

Manhood in America Michael S. Kimmel, 2018 For more than three decades the women's movement and its scholars have exhaustively studied women's complex history roles and struggles In Manhood in America A Cultural History Fourth Edition author Michael Kimmel argues that it is time for men to rediscover their own evolution Drawing on a myriad of sources he demonstrates that American men have been eternally frustrated by their efforts to keep up with constantly changing standards Kimmel contends that men

must follow the lead of the women's movement it is only by mining their past for its best qualities and worst excesses that men will free themselves from the constraints of the masculine ideal *Making Men Moral* Nancy K. Bristow, 1997-10 Nancy Bristow successfully combines military history with anecdotes of cultural reform efforts to educate and mold with movies dances exercises books and sing alongs sexually active soldiers into model citizens LIBRARY JOURNAL 39 photos

Masculinity and the Making of American Judaism Sarah Imhoff, 2017-03-13 An examination of how early twentieth century American Jewish men experienced manhood and presented their masculinity to others How did American Jewish men experience manhood and how did they present their masculinity to others In this distinctive book Sarah Imhoff shows that the project of shaping American Jewish manhood was not just one of assimilation or exclusion Jewish manhood was neither a mirror of normative American manhood nor its negative effeminate opposite Imhoff demonstrates how early twentieth century Jews constructed a gentler less aggressive manhood drawn partly from the American pioneer spirit and immigration experience but also from Hollywood and the YMCA which required intense cultivation of a muscled male physique She contends that these models helped Jews articulate the value of an acculturated American Judaism Tapping into a rich historical literature to reveal how Jews looked at masculinity differently than Protestants or other religious groups Imhoff illuminates the particular experience of American Jewish men There is so much literature and very good scholarship on Judaism and gender but the majority of that literature reflects an interest in women A hearty thank you to Sarah Imhoff for writing the other half of the story and for doing it so elegantly Claire Elise Katz author of *Levinas and the Crisis of Humanism* Invariably lucid and engaging Sarah Imhoff provides a secure foundation for how religion shaped American masculinity and how masculinity shaped American Judaism in the early twentieth century Judith Gerson author of *By Thanksgiving We Were Americans* German Jewish Refugees and Holocaust Memory **Making European Masculinities** J. A. Mangan, 2013-10-08

As sport has grown progressively replacing religion in its power to excite passion provide emotional escape offer fraternal and increasingly sororital bonding it has come to loom larger and larger in the lives of Europeans and others It has become an inescapable reality linking public environment with intimate experience and thus offers the historian an opportunity to inspect and attempt to grasp all the dimensions of the recent past and their relative share in individual and collective experience This collection considers the evolution of modern sport in Europe and examines its role in shaping masculine identity *Making Men, Making Class* Thomas Winter, 2002-05-15 Acknowledgments1 The YMCA Gender Class and Social Change 1877 1920 An Introduction2 A Zeal for Religious Work and an Open Door of Opportunity YMCA Secretaries and Nineteenth Century Ideals of Manhood3 We Have Only to Step in and Occupy the Land The YMCA Labor Conflict and the Rise of Welfare Capitalism4 To Aid in the Upbuilding of Character The YMCA Welfare Capitalism and a Language of Manhood5 A Most Effective Ally in the Work of Labor Advancement Workingmen and the YMCA6 None of Your Milk and Water Sops Flabby Handed and Mealy Mouthed for Dealing with Such Men The YMCA the Secretaryship and
