Making Meaning Of Whiteness

Leslie J Harris

Making Meaning Of Whiteness:

Making Meaning of Whiteness Alice McIntyre,1997-01-01 Describes the decision of several white student teachers to create teaching strategies that eliminate white privilege in schools and analyzes the role of racial identity in the creation and use of teaching practices

Making Meaning of Whiteness Frances Roberta Trowsse,2007 This study examines Whiteness from the perspectives of White college faculty The participants in this study responded to a letter of invitation to volunteer for this study A total of 12 White faculty participated in this study including the researcher Nine participants were female and 2 were male 9 participants had 15 years or more of work experience with the college and 2 participants had less than 5 years Data were collected through discussions with two focus groups The data were coded first by a word analysis and followed by a text analysis to support and identify themes The findings are presented in six themes a colour prevails right White way b privilege with a small p c ethnicity and colour d sameness be like us e immigrant syndrome and f expectations of the education system

Making Sense of Race, Class, and Gender Celine-Marie Pascale,2013-02-01 Using arresting case studies of how ordinary people understand the concepts of race class and gender Celine Marie Pascale shows that the peculiarity of commonsense is that it imposes obviousness that which we cannot fail to recognize As a result how we negotiate the challenges of inequality in the twenty first century may depend less on what people consciously think about difference and more on what we inadvertently assume Through an analysis of commonsense knowledge Pascale expertly provides new insights into familiar topics In addition by analyzing local practices in the context of established cultural discourses Pascale shows how the weight of history bears on the present moment both enabling and constraining possibilities Pascale tests the boundaries of sociological knowledge and offers new avenues for conceptualizing social change In 2008 Making Sense of Race Class and Gender was the recipient of the Distinguished Contribution to Scholarship Book Award of the American Sociological Association Section on Race Gender and Class for distinguished and significant contribution to the development of the integrative field of race gender and class

The Rhetoric of White Slavery and the Making of National Identity Leslie J Harris,2023-07-01 At the turn of the twentieth century the white slavery panic pervaded American politics influencing the creation of the FBI the enactment of immigration law and the content of international treaties At the core of this controversy was the maintenance of white national space In this comprehensive account of the Progressive Era s sex trafficking rhetoric Leslie Harris demonstrates the centrality of white womanhood as a symbolic construct to the structure of national space and belonging Introducing the framework of the mobile imagination to read across different scales of the controversy ranging from local to transnational she establishes how the imaginative possibilities of mobility within public controversy work to constitute belonging in national space

Resources in Education ,1999-10 The Center Must Not Hold George Yancy,2012-07-10 The Center Must Not Hold White Women Philosophers on the Whiteness of Philosophy functions as a textual site where white women philosophers engage boldly in critical acts of exploring ways of naming and

disrupting whiteness in terms of how it has defined the conceptual field of philosophy Within this text white women philosophers critique the field of philosophy for its complicity with whiteness as a structure of power as normative and as hegemonic In this way the authority of whiteness to define what is philosophically worthy is seen as reinforcing forms of philosophical narcissism and hegemony Challenging the whiteness of philosophy in terms of its hubristic tendencies white women philosophers within this text assert their alliance with people of color who have been both marginalized within the field of philosophy and have had their philosophical and intellectual concerns and traditions dismissed as particularistic Aware that feminist praxis does not necessarily lead to anti racist praxis the white women philosophers within this text refuse to telescope as a site of critical inquiry one site of hegemony sexism over another racism As such the white women philosophers within this text are conscious of the ways in which they are implicated in perpetuating whiteness as a site of power within the domain of philosophy Framed within a philosophical space that values the multiplicity of philosophical voices and driven by a feminist framework that valorizes de centering locations of hegemony interdisciplinary dialogue and transformative praxis *The Center Must Not Hold* refuses to allow the white center of philosophy to masquerade as universal and given The text de centers various epistemic and value orders that are predicated upon maintaining the center of philosophy as white The white women philosophers who contribute to this text explore ethics epistemology aesthetics taste the nature of a dilemma questions of the secularity of philosophy perception discipline based *Recognizing Race and Ethnicity, Student Economy Edition* Kathleen Fitzgerald, 2019-07-05 To better reflect the current state of research in the sociology of race ethnicity this book places significant emphasis on white privilege the social construction of race and theoretical perspectives for understanding race and ethnicity **Racing to Make Space** Joshua D.

Vadeboncoeur, 2025-08-14 This book explores the often overlooked experiences of Black NASCAR fans challenging the sport's traditional image as a stronghold of Southern white conservatism Through a narrative inquiry approach the book examines how Black fans navigate and transform NASCAR's cultural and spatial landscapes Divided into three sections it delves into Black placemaking within NASCAR the impact of pervasive whiteness in the sport's geographies and offers practical recommendations for fostering greater inclusivity within NASCAR The presence and influence of Black fans within this space have largely been ignored in academic discourse media coverage and the sport's own self representation This book seeks to address this significant gap in the literature by providing a comprehensive and in depth examination of how Black fans engage with navigate and transform the cultural and spatial landscapes of NASCAR while providing actionable insights for creating more equitable and inclusive environments in American sports **Black Bodies, White Gazes** George Yancy, 2008-09-26 Click here to listen to George Yancy's radio interview with C S Soong on *Against the Grain* *Black Bodies White Gazes* The Continuing Significance of Race understands Black embodiment within the context of white hegemony within the context of a racist anti Black world George Yancy examines themes such as double consciousness invisibility and

corporeal malediction that capture the lived reality of Black bodies under tremendous existential duress He demonstrates that the Black body is a historically lived text on which whites have inscribed their projections which speak equally forcefully to whites own self conceptions *What White Looks Like* George Yancy, 2004-06 First published in 2004 Routledge is an imprint of Taylor Francis an informa company
