The Making of Fianna Fáil Power in Ireland Richard Dunphy, 1995 The rise to power of Fianna Fail and its continuing centrality is the great enigma of Irish politics This work explores the historical development of the party looking at its organizational structure and the interactions between party and state

The Making of Fianna Fáil Power in Ireland, 1923-1948 Richard Dunphy, 1995

A History of Irish Working-Class Writing Michael Pierse, 2018 Michael Pierse is Lecturer in Irish literature at Queen s University Belfast His research mainly explores the writing and cultural production of Irish working class life Over recent years this work has expanded into new multidisciplinary themes and international contexts including the study of festivals digital methodologies in public humanities and theatre as research practices Michael has contributed to a range of national and international publications is the author of *Writing Ireland s Working Class Dublin after O Casey* 2011 and has been awarded several Arts and Humanities Research Council awards and the Vice Chancellor s Award at Queen s

Ireland 1798-1998 Alvin Jackson, 2025-03-24 The new edition of Alvin Jackson s highly influential survey of 200 years of Irish history In *Ireland 1798 1998 War Peace and Beyond* award winning historian Alvin Jackson provides a well balanced and authoritative account of modern Irish political history Drawing on original research and extensive readings in current scholarship the author surveys Irish political parties leaders and movements with a special emphasis on the tension between Irish nationalism and unionism Opening with a wide ranging introduction to Irish history the text describes the varieties and interconnections of the Irish political experience through a sustained and coherent historical narrative beginning with the creation of militant republicanism and militant loyalism in the 1790s Reader friendly chapters interweave social economic and cultural material while offering fresh analyses of familiar historical issues and personalities This third edition contains expanded coverage of the most recent political developments in Ireland both North and South A new epilogue examines the impacts of the Good Friday Agreement the global banking crisis Brexit and COVID 19 on Irish politics and institutions The most up to date interpretation of modern Irish political history available in a single volume *Ireland 1798 1998 War Peace and Beyond Third Edition* is a must read for undergraduate and graduate students working on Irish and British political history as well as general readers with an interest in the subject

Politics and the Irish Working Class, 1830-1945 Donal Ó Drisceoil, F. Lane, 2005-09-30 This book is the first ever collection of scholarly essays on the history of the Irish working class It provides a comprehensive introduction to the involvement of Irish workers in political life and movements between 1830 and 1945 Fourteen leading Irish and international historians and political scientists trace the politicization of Irish workers during a period of considerable social and political turmoil The contributions include both surveys covering the entire period and case

studies that provide new perspectives on crucial historical movements and moments This volume is a milestone in Irish labour and political historiography and an important contribution to the international literature on politics and the working class

Politics in the Republic of Ireland John Coakley, Michael Gallagher, 2010 Politics in the Republic of Ireland is now available in a fully revised fifth edition Building on the success of the previous four editions it continues to provide an authoritative introduction to all aspects of politics in the Republic of Ireland Written by some of the foremost experts on Irish politics it explains analyzes and interprets the background to Irish government and contemporary political processes Bringing students up to date with the very latest developments Coakley and Gallagher combine real substance with a highly readable style providing an accessible textbook that meets the needs of all those who are interested in knowing how politics and government operate in Ireland

Property, Family and the Irish Welfare State Michelle Norris, 2016-11-09 This book examines the long term development of the Irish welfare state since the late nineteenth century It contests the consensus view that Ireland like other Anglophone countries has historically operated a liberal welfare regime which forces households to rely mainly on the market to maintain their standard of living Drawing on case studies and key statistical data this book argues that the Irish welfare state developed differently from most other Western European countries until recent decades Norris's original line of argument makes the case that Ireland's regime was distinctive in terms of both focus and purpose in that Ireland's welfare state was shaped by the power of small farmers and moral teaching and intended to support a rural agrarian and familist social order rather than an urban working class and industrialised economy A well researched and methodical study this book will be of great interest to scholars of social policy sociology and Irish history

Ireland Since 1939 Henry Patterson, 2008-02-26 A compelling narrative of contemporary Ireland from one of its most highly respected historians The Ireland of today is a place poised between the divisiveness of deep seated conflict and the modernizing pull of material prosperity Though each state's history is strikingly divergent the mirroring ideologies that fuel them are remarkably symbiotic With Ireland Since 1939 one of the most distinguished Irish historians working today casts a fresh and unpredictable eye to Ireland's history from World War II up through the present to show how by putting aside its North South conflict Ireland can look forward to a prosperous economic future

Contesting Economic and Social Rights in Ireland Thomas Murray, Thomas Patrick Murray, 2016-08-18 A comparative analysis from below of attempts to constitutionalise socio economic rights in Ireland from 1848 rebellions to present day protests

Freemasonry and the Press in the Twentieth Century Paul Calderwood, 2016-04-15 By the end of the twentieth century Freemasonry had acquired an unsavoury reputation as a secretive network of wealthy men looking out for each others interests The popular view is of an organisation that if not actually corrupt is certainly viewed with deep mistrust by the press and wider society Yet as this book makes clear this view contrasts sharply with the situation at the beginning of the century when the public's perception of Freemasonry in Britain was much more benevolent with numerous establishment figures including monarchs government

ministers archbishops and civic worthies enthusiastically recommending Freemasonry as the key to model citizenship Focusing particularly on the role of the press this book investigates the transformation of the image of Freemasonry in Britain from respectability to suspicion It describes how the media projected a positive message of the organisation for almost forty years based on a mass of news emanating from the organisation itself before a change in public regard occurred during the later twentieth century This change in the public mood the book argues was due primarily to Masonic withdrawal from the public sphere and a disengagement with the press Through an examination of the subject of Freemasonry and the British press a number of related social trends are addressed including the decline of deference the erosion of privacy greater competition in the media the emergence of more aggressive and investigative journalism the consequences of media isolation and the rise of professional Public Relations The book also illuminates the organisation's collisions with nationalism communism and state welfare provision As such the study is illuminating not only for students of Freemasonry but those with an interest in the wider social history of modern Britain

British Spies and Irish Rebels Paul McMahon, 2008 One of the Irish Times Books of the Year 2008 Rebellion partition and a messy peace settlement ensured that Ireland was a constant thorn in Britain's side after 1916 Britain was confronted by the bombs and bullets of militant republicans the clandestine intrigues of foreign powers and the strategic dangers of Ireland's wartime neutrality a final irrevocable step in the country's difficult transition to independence Using newly opened archives this book reveals for the first time how the British intelligence system responded to these threats It lifts the lid on the underground activities of Britain's secret agencies MI5 MI6 SIS and the Special Branch It puts secret intelligence in the context of the government's other sources of information and explores how deep rooted cultural stereotypes distorted intelligence and shaped perceptions And it shows how for decades British intelligence struggled to cope with Ireland but then rose to the challenge after 1940 largely because the Dublin government began to share its secrets The author casts light on characters long kept in the shadows IRA gunrunners Bolshevik agitators Nazi agents Irish loyalists who acted as British spies His compelling book fills a gap in the history of the British intelligence community and helps explain the twists and turns of Anglo Irish relations during a time of momentous change

PAUL MCMAHON gained his PhD from Cambridge University

The Legacy of the Irish Parliamentary Party Martin O'Donoghue, 2019 The first detailed analysis of the legacy of the Irish Parliamentary Party in independent Ireland Providing statistical analysis of the extent of Irish Party heritage in each Dáil and Seanad in the period it analyses how party followers reacted to independence and examines the place of its leaders in public memory

Letters of the Catholic Poor Lindsey Earner-Byrne, 2017-01-11 This innovative study of poverty in Independent Ireland between 1920 and 1940 is the first to place the poor at its core by exploring their own words and letters Written to the Catholic Archbishop of Dublin their correspondence represents one of the few traces in history of Irish experiences of poverty and collectively they illuminate the lives of so many during the foundation decades of the Irish state This book keeps the human element central so often lost

when the framework of history is policy institutions and legislation It explores how ideas of charity faith gender character and social status were deployed in these poverty narratives and examines the impact of poverty on the lives of these writers and the survival strategies they employed Finally it considers the role of priests in vetting and vouching for the poor and in so doing perpetuating the discriminating culture of charity Modern British History Jeremy Black,2000-05-23 Jeremy Black's compelling text provides a thematic account of British history centering on the twentieth century To the traditional chronological account of historic events Black adds long range thematic chapters reflecting the full range of topics These include political structures ideologies wars and international relations economic history social history as well as consumerism media and mass communication The coverage is further enlivened with exhibits providing supplementary background information on key personalities and pivotal events and numerous illustrations

Musical Culture and the Spirit of Irish Nationalism, 1848-1972 Richard Parfitt,2019-08-19 Musical Culture and the Spirit of Irish Nationalism is the first comprehensive history of music's relationship with Irish nationalist politics Addressing rebel songs traditional music and dance national anthems and protest song the book draws upon an unprecedented volume of material to explore music's role in cultural and political nationalism in modern Ireland From the nineteenth century Young Irelanders the Fenians the Home Rule movement Sinn Féin and the Anglo Irish War to establishment politics in independent Ireland and civil rights protests in Northern Ireland this wide ranging survey considers music's importance and its limitations across a variety of political movements

Sean Lemass: The Enigmatic Patriot John Horgan,1997-10-01 The definitive biography of Seán Lemass the finest Taoiseach in the history of the Irish State There are few facets of Irish life which do not owe something to the genius effectiveness or determination of Lemass Horgan's biography explores that contribution quite brilliantly Bertie Ahern The Irish Times As a boy Seán Lemass fought in the 1916 rising He was a member of de Valera's first cabinet Minister for Industry and Commerce in every Fianna Fáil government between 1932 and 1959 and as Taoiseach from 1959 to 1966 was the pivotal figure in the modernisation of Ireland The Lemass that emerges from this fine book is an enigma and a passionate patriot a protectionist who later became an apostle of free trade a moderniser in what was often a party of traditionalists John Horgan's excellent biography is the work of a critical admirer who sees his subject as one of the most outstanding Irish political figures of the century The only biographer to have had complete access to all the government papers for the full period of Lemass's political career Horgan provides us with a rounded sympathetic yet critical examination of the life of one of twentieth century Ireland's most distinguished figures a comprehensive and thoughtful work worthy of the subject it lives up to its billing as a major biography of the Fianna Fáil leader Stephen Collins The Sunday Tribune Seán Lemass was not only one of the most formidable but for all his apparently bluff straightforwardness one of the most elusive personalities in the history of twentieth century Ireland John Horgan's study skilfully crafted and elegantly expressed is a major biography of a major figure greatly enhancing our understanding of the making of modern Ireland J J Lee author of The Modernisation of Irish

Society 1848 19 The politics of constitutional nationalism in Northern Ireland, 1932-70 Christopher Norton, 2016-05-16
 In the changed political landscape of Northern Ireland where all major political parties with a nationalist agenda are now reconciled to the use of peaceful and constitutional means to achieve their objectives this book presents a timely analysis of the constitutional nationalist tradition in Northern Ireland in the period leading up to the outbreak of the Troubles The first book on constitutional nationalism to appear in over a decade this new and incisive work based on extensive primary sources and existing secondary literature maps the history of the campaigns of nationalist parties and organisations to redress the grievances of Northern Ireland's Catholics and bring partition to an end It offers a critical reappraisal of these campaigns and it assesses the outcomes and consequences of the political strategies pursued by an array of nationalist parties and groups

The Cambridge History of Ireland: Volume 4, 1880 to the Present Thomas Bartlett, 2018-02-28 This final volume in the Cambridge History of Ireland covers the period from the 1880s to the present Based on the most recent and innovative scholarship and research the many contributions from experts in their field offer detailed and fresh perspectives on key areas of Irish social economic religious political demographic institutional and cultural history By situating the Irish story or stories as for much of these decades two Irelands are in play in a variety of contexts Irish and Anglo Irish but also European Atlantic and latterly global The result is an insightful interpretation on the emergence and development of Ireland during these often turbulent decades Copiously illustrated with special features on images of the Troubles and on Irish art and sculpture in the twentieth century this volume will undoubtedly be hailed as a landmark publication by the most recent generation of historians of Ireland

John Hearne Eugene Broderick, 2017-05-15 John Hearne Architect of the 1937 Constitution of Ireland is the first ever biography of the architect in chief and draftsman of the constitution In the six year period that it took to draft the constitution John Hearne was involved at every stage alongside aon de Valera his attitudes and concerns especially with the protection of human rights in a period which saw the rise of dictatorships throughout Europe governed the make up of the fundamental law This law still stands today and reverberates through every call for referendum or repeal John Hearne is the biography of a man later Irish Ambassador to Canada and the United States who masterminded Irish policy nationally and internationally for decades his essential role in the making of the constitution will result in a greater understanding and re evaluation of one of its most defining and controversial documents

Making Of Fianna Fail Power In Ireland 1923 1948 Introduction

In today's digital age, the availability of Making Of Fianna Fail Power In Ireland 1923 1948 books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Making Of Fianna Fail Power In Ireland 1923 1948 books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Making Of Fianna Fail Power In Ireland 1923 1948 books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Making Of Fianna Fail Power In Ireland 1923 1948 versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Making Of Fianna Fail Power In Ireland 1923 1948 books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Making Of Fianna Fail Power In Ireland 1923 1948 books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Making Of Fianna Fail Power In Ireland 1923 1948 books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them

accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Making Of Fianna Fail Power In Ireland 1923 1948 books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Making Of Fianna Fail Power In Ireland 1923 1948 books and manuals for download and embark on your journey of knowledge?

FAQs About Making Of Fianna Fail Power In Ireland 1923 1948 Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Making Of Fianna Fail Power In Ireland 1923 1948 is one of the best book in our library for free trial. We provide copy of Making Of Fianna Fail Power In Ireland 1923 1948 in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Making Of Fianna Fail Power In Ireland 1923 1948. Where to download Making Of Fianna Fail Power In Ireland 1923 1948 online for free?
