The Making of
JOHNSON'S DICTIONARY
1746–1773

ALLEN REDDICK

Making Of Johnsons Dictionary 1746 1773

Samuel Johnson

Making Of Johnsons Dictionary 1746 1773:

The Making of Johnson's Dictionary 1746-1773 Allen Reddick, 1996-01-26 This second edition of the acclaimed study of Johnson's Dictionary incorporates new commentary and scholarship **Anniversary Essays on Johnson's Dictionary** John T. Lynch, Anne McDermott, 2005-04-14 A collection of original essays celebrating the 250th anniversary of the publication of the Dictionary *Samuel Johnson's Pragmatism and Imagination* Stefka Ritchie, 2018-11-07 The central theme of this book is an under studied link between the canon of Francis Bacon's and Isaac Newton's scientific and philosophical thought and Samuel Johnson's critical approach that can be traced in a textual study of his literary works The interpretive framework adopted here encourages familiarity with the history and philosophy of science confirming that the history of ideas is an entirely human construct that constitutes an integral part of intellectual history This further endorses the argument that intermediality can only be of benefit to future research into the richness of Johnson's literary style As perceived boundaries are crossed between conventionally distinct communication media the profile of Johnson that emerges is of a writer of passionate intelligence who was able to combine a pragmatic approach to knowledge with flights of imagination as a true artist **Johnson, Writing, and Memory** Greg Clingham, 2002-09-05 This study demonstrates the importance of memory in Samuel Johnson's work Greg Clingham argues that this concept of memory is derived from the process of historical and creative writing it is embodied in works of literature and other cultural forms He examines Johnson's writing including his biographical writing as it intersects with eighteenth century thought on literature history fiction and law and its subsequent compatibility with and resistance to modern theory *The Oxford Handbook of Samuel Johnson* Jack Lynch, 2022 A Handbook devoted to the work of Samuel Johnson 1709-1784 organized in three sections that study Johnson's career his major and lesser known works and the subjects that were most important to him as a writer thinker and moralist

Historical Dictionaries in their Paratextual Context Roderick McConchie, Jukka Tyrkkö, 2018-09-24 Both dictionary and paratext research have emerged recently as widely recognised research areas of intrinsic interest This collection represents an attempt to place dictionaries within the paratextual context for the first time This volume covers paratextual concerns including dictionary production and use questions concerning compilers publishers patrons and subscribers and their cultural embedding generally This book raises questions such as who compiled dictionaries and what cultural linguistic and scientific notions drove this process What influence did the professional interests life experience and social connexions of the lexicographer have Who published dictionaries and why and what do the forematter backmatter and supplements tell us Lexicographers edited adapted and improved earlier works leaving copies with marginalia which illuminate working methods Individual copies offer a history of ownership through marginalia signatures dates places and library stamps Further questions concern how dictionaries were sold who patronised them subscribed to them and how they came to various libraries The Constitution of Literature Lee Morrissey, 2008 The Constitution of Literature examines Restoration and

eighteenth century literary criticism as a debate over theories of reading and argues that literary criticism emerged as a reaction against the role associated with print in the English Civil Wars of the 1640s **Samuel Johnson in Context** John T. Lynch, 2012 A work of reference on the age of Johnson putting literature in the context of the society that produced it

Language Anxiety Tim William Machan, 2009-01-29 This engaging and wide ranging history of language anxiety ranges from the Tower of Babel to the internet It shows how worry about language results from and causes linguistic change as well as fuelling perennial concerns about class culture identity and social change *Samuel Johnson* Samuel Johnson, Bruce Redford, 2021-01-05 A one volume collection of the prose and poetry of eighteenth century Britains pre eminent lexicographer critic biographer and poet Samuel Johnson Samuel Johnson was eighteenth century Britain s pre eminent man of letters and his influence endures to this day He excelled as a moral and literary critic biographer lexicographer and poet This anthology designed to make Johnson s essential works accessible to students and general readers draws its texts from the definitive Yale Edition of the Works of Samuel Johnson In most cases texts are included in full rather than excerpted The anthology includes many essays from The Rambler and other periodicals Rasselas the prefaces to Johnson s Dictionary and his edition of Shakespeare the complete Lives of Cowley Milton Pope Savage and Gray as well as generous selections from A Journey to the Western Islands of Scotland Some parts are arranged thematically allowing readers to focus on such topics as religion marriage war and literature The anthology includes a biographical introduction and its ample annotation updates and enlarges the commentary in the Yale Edition Samuel Johnson Peter Martin, 2008 Benefiting from recent critical scholarship that has explored new attitudes toward Johnson Martin s biography offers a human and sympathetic portrait of the literary and social icon Samuel Johnson Samuel Johnson, 2009-09-30 In Johnson s own day he was best known as an essayist critic and lexicographer At the center of this collection are the periodical essays from the Rambler Adventurer and Idler Together these works allied in their literary social and moral concerns are the ones that continue to speak urgently to readers today **The Reformist Ideas of Samuel Johnson** Stefka Ritchie, 2017-03-07 This book explores what remains an under studied aspect of Samuel Johnson s profile as a person and writer namely his attitude to social improvement The interpretive framework provided here is cross disciplinary and applies perspectives from social and cultural history legal history architectural history and of course English literature This allows Johnson s writings to be read against the peculiarities of their historical milieu and reveals Johnson in a new light as an advocate of social improvement for human betterment Considering the multiplicity of narrative modes that have been employed the book points to the blurred boundaries and overlapping between history testimony and fiction and argues that a future biography of Samuel Johnson has to recognise that throughout his life he valued the utilitarian aspect of his manifesto as a writer to impart a more charitable attitude in the pursuit of a more caring society **Samuel Johnson & the Journey Into Words** Lynda Mugglestone, 2015 This book looks at the range of Johnson s writings on and the complexity of his thinking about language and lexicography It

casts new light on Johnson's life in language provides a convincing reassessment of his impact on English culture the making of dictionaries and their role in a nation's identity **The Cambridge Companion to Samuel Johnson** Greg

Clingham,1997-10-16 This Companion first published in 1997 provides an introduction to the works and life of one of the key figures in English literary history **Ashgate Critical Essays on Early English Lexicographers** Anne C.

McDermott,2017-03-02 The eighteenth century is renowned for the publication of Samuel Johnson's A Dictionary of the English Language which reference sources still call the first English dictionary This collection demonstrates the inaccuracy of that claim but its tenacity in the public mind testifies to how decisively Johnson formed our sense of what a dictionary is The essays and articles in this volume examine the already flourishing tradition of English lexicography from which Johnson drew as represented by Kersey Bailey and Martin as well as the flourishing contemporary trade in encyclopedic technical pronunciation and bilingual lexicons **Life, Liberty, and the Pursuit of Happiness** Peter Moore,2023-06-27 Gripping

Vibrant A wonderfully absorbing and stimulating book Sarah Bakewell NBCC Award winning author of How to Live and Humanly Possible A rollicking account The book's compulsive readability is a tribute to Moore's skill at cracking open the pre-revolutionary period Charles Arrowsmith The Washington Post A spirited group biography that explores the origins of the most iconic words in American history and the remarkable transatlantic context from which they emerged The most famous phrase in American history once looked quite different The preservation of life Moore shows why and reveals how these still nascent ideals made their way across an ocean and started a revolution Includes 16 pages of black and white images

Chaucer in the Eighteenth Century David Hopkins,Tom Mason,2022-06-16 This volume is a study of how the poetry of Chaucer continued to give pleasure in the eighteenth century despite the immense linguistic literary and cultural shifts that had occurred in the intervening centuries It explores translations and imitations of Chaucer's work by Dryden Pope and other poets including Samuel Cobb John Dart Christopher Smart Jane Brereton William Wordsworth and Leigh Hunt from the early eighteenth to the early nineteenth centuries as well as investigating the beginnings of modern Chaucer editing and biography It pays particular attention to critical responses to Chaucer by Dryden and the brothers Warton and includes a chapter on the oblique presence of Chaucer in Samuel Johnson's Dictionary It explores the ways in which Chaucer's poetry including several works now known not to be by him was described refashioned reimagined and understood several centuries after its initial appearance It also documents the way that views of Chaucer's own character were inferred from his work The book combines detailed discussion of particular critical and poetic texts many of them unfamiliar to modern readers with larger suggestions about the ways in which poetry of the past is received in the future **The Lives of the Poets** Samuel Johnson,2009-05-28 Here is a substantial selection of Samuel Johnson's magisterial and unforgettable portraits of the lives of the English poets of the 17th and 18th centuries Originally covering the lives of 52 poets with the primary focus on Milton Dryden Swift and Pope Johnson's Lives was described by Thomas Gray as a compendious story of a whole important age in

English literature told by a great man and in a performance which is itself a piece of English literature of the first class
Unsentimental opinionated and quotable The Lives of the Poets continues to influence the reputations of the writers
concerned This selection featuring the lives of eleven of the most important poets draws from Roger Lonsdale's authoritative
complete edition It includes an engaging introduction helpful notes and an up to date bibliography Its publication coincides
with the 300th anniversary of Johnson's birth in September 1709 About the Series For over 100 years Oxford World's
Classics has made available the broadest spectrum of literature from around the globe Each affordable volume reflects
Oxford's commitment to scholarship providing the most accurate text plus a wealth of other valuable features including
expert introductions by leading authorities voluminous notes to clarify the text up to date bibliographies for further study and
much more

The Baylors of Newmarket Thomas Katheder, 2009 Scholars and arm chair historians of eighteenth century
America will take great pleasure in reading this exceptionally well researched slice of colonial history In The Baylors of
Newmarket author Thomas Katheder has meticulously researched one of the wealthiest and most socially prominent yet least
known families in colonial Virginia Drawing on mostly unpublished sources including British and French archives and
Virginia court documents The Baylors of Newmarket is the fascinating and tragic story of Col John Baylor III and his son John
IV including Col Baylor's relentless pursuit of equine perfection and his son's delusional quest for the perfect Virginia
mansion The Baylors of Newmarket places the family in the larger context of a pre Revolutionary Anglo Virginian elite that
sought to emulate the British gentry in culture education books and reading dress furnishings and behavior After the
Revolution the Baylors struggled to maintain what was becoming an increasingly outmoded lifestyle This extensively
referenced history also describes in rich detail the library begun by Col Baylor III and expanded by his son John IV within the
context of a strong book culture among the pre Revolutionary Virginia gentry that has been largely underappreciated by
scholars
