Gazzaniga, Maureen A. Gazzaniga, 2024-07-02 For cardiac patients on restricted diets recipes influenced by world cuisine that make the prospect of a no salt diet less bleak Publishers Weekly When a serious heart problem caused Don Gazzaniga to give up his career in communications he was warned to keep to a diet with very little salt or other sodium But he remained undaunted and discovered a way to continue enjoying the meals he loved and still keep his sodium level far below what most cardiologists feel they can expect from their patients The idea led to three published books found on the kitchen shelves of thousands of grateful families dealing with congestive heart failure First came a large general cookbook It was followed by a baking book and then a book of recipes for light meals and snacks What could be next Before Don's illness he and his wife Maureen traveled a lot Don's job took him all over the globe And wherever they went they sought out that country's traditional dishes When the light meals book was finished Don was looking for yet another low sodium cookbook idea He and Maureen pulled out their collection of recipes did their magic of making them very low on sodium and voil The No Salt Lowest Sodium International Cookbook is a delicious and healthy treat for the entire family A congestive heart failure survivor becomes a no salt cooking guru and proves you don't have to sacrifice flavor to cut salt Heart Healthy Magazine
