God Created Man in His Image and Likeness Oried E. Graves,2012-10-26

Everyone who reads the Bible must admit that it tells us to do things that we never have done and cannot do in our fleshly bodies One reason is that God our Creator is telling us what He wants us to be and do as created in His image and likeness Our purpose is in our image and likeness of God our Creator not like the dust of the ground or the flesh of our parents Most children dont know that they are created in the image and likeness of God and their parents have not asked God for His spirit for their children so they can be taught this vital truth The reason parents dont ask God for His spirit for their children is because they dont recognize the need for Him There are several things mankind cannot do in the flesh and they must recognize their origin in the image and likeness of God Mankind must recognize being in the image and likeness of God to first love God with all their being and love his neighbors as himself second to obey God and his parents as required in Gods

word third to trust God with all his heart fourth to worship God in spirit and in truth and fifth to glorify God in his body and spirit which are God The devil does not want mankind to know that he is created in the image and likeness of God because man will always defeat Satan and fulfill God's will My Father and Your Father William Landon, 2003-10-20 This book is an attempt to relate the wonderful biblical truths about the possibility of having a living personal relationship with God This truth comes down through the entire history of the Christian faith as well as in the Bible Yet there is very little teaching or promotion of this truth in organized religion This lack of a presentation of the message of God as our Father results in a corresponding lack of power and freedom for effective daily living in the Christian community Sadly many people in religious organizations not to mention people outside the religious system doubt if a personal relationship with God is even possible This is even sadder when we consider the Bible is very clear on this point The Bible tells us that a personal relationship with God as our Father is not only possible but this relationship is God's greatest desire for us It is Bill Landon's hope that this book will be an encouragement for those people who seek a spiritual life that has more practical impact on their daily living For those who wish to explore the possibilities of a greater peace and fullness in their living this book can be a help *Make God Your Senior Partner* Thor Holubowich, 2004-11 Anyone who is struggling spiritually mentally physically socially and or financially can touch God's heart by reading this daily directional step by step book Christianity Daily Life *KJV Life Application Study Bible, Third Edition (Genuine Leather, Black, Indexed, Red Letter)* Tyndale, 2023-03-07 Trusted and treasured by millions of readers over 30 years the Life Application Study Bible Third Edition is today's 1 bestselling study Bible Perhaps the most complete single volume Bible ever compiled this study Bible helps readers of all ages understand the language of the Bible and gives advice on how to apply its teachings to the ups and downs of everyday life It has been thoroughly updated and expanded offering even more relevant insights With a fresh two color interior design and updated study notes and features this Bible will help you understand God's Word better than ever It answers the real life questions that you have and provides you with practical yet powerful ways to apply the Bible to your everyday life This edition includes the full text of the revered King James Version of the Bible The words of Jesus are in red Features Now more than 10 000 notes and features Over 100 Life Application profiles of key Bible people Refreshed design with a second color for visual clarity Introductions and overviews for each book of the Bible More than 500 maps charts placed for quick reference Dictionary concordance 16 pages of full color maps Christian Worker's Resource *Parenting* James Maggart, 2003-02-11 The world is changing rapidly Technology and information have made the world a smaller place These changes have made the job of parenting an effort requiring education and support Parents are forced to raise their children without the skills needed in our modern world In *Parenting The Highest Calling* you have all of the information to get started in your parenting process with sound fundamentals The three steps for a solid parenting foundation the four areas of balance for building identity and character and the implementation tools bring the parenting function in focus for the parent The book is written
