

A man in a dark suit is crouching on a vast, flat landscape composed entirely of gold coins. He is facing away from the camera, looking out over a suburban neighborhood with houses and trees. The sky is filled with dramatic, golden clouds, suggesting a sunset or sunrise. The overall tone is one of wealth and contemplation.

House of Commons: International Development Committee, Malcolm Bruce, 2011-03-03 In this report the International Development Committee finds that the Government development fund CDC is not doing enough to alleviate poverty does not focus on the sectors most in need and is paying its bosses too much CDC created in 1948 and formerly known as the Commonwealth Development Corporation has operated since 2004 as a fund of funds manager that invests in developing countries with the aim of promoting growth It is owned by the UK s Department for International Development DFID But

over half of CDC's portfolio is in four middle income countries India China South Africa and Nigeria It should be working in poorer countries and with poor people such as farmers and small business owners and accept lower returns The report suggests a radical solution by splitting CDC into two parts The fund of funds model is profit making and leverages much extra finance and should be retained suggested name CD Funds Some of the profits from this could fund a second arm called CDC Frontier which would have a specific mandate to reduce poverty and invest in pro poor sectors including agriculture and infrastructure There should also be greater oversight of CDC by DFID so that there is greater alignment of poverty alleviation aims Current salaries are excessive at CDC and quality staff could be attracted for far lower salaries The Committee wants HM Treasury to look into the use of tax havens and for CDC to adopt best practice on tax
